Come 500!Mr. W. started this petition with Cartoon NetworkThe Amazing World of Gumball which is a British/American animated series that ran from May 3, 2011 to June 24, 2019. The final episode, The Inquisition, ends with a cliffhanger ending. Click the link below to see. The only way this series can end with a satisfying conclusion is with a movie. Mic Graves, the series' director, and Ben Bocquelet, the show's author, have said that a script has been written and they are awaiting cartoon network approval. This will not only give us a movie, but also the ending that a lot of people want for the revolutionary series. We have to let Cartoon Network know that this is what we want!
