Nina Sayers is the main protagonist of Black Swan, a 2010 drama-psychological-thriller film that explores the life of balrina to perfection. In this critically-acclaimed film, Natalie Portman plays a baller stunt that underwent the dangerous and perforated path inside herself as she tries to achieve the perfection of the role of both white and black blacks. As she pressures herself to perfection the role of Black Black Queen, Nina experiences many weird things like the hallucination and balanced attitude. At the end of the movie, Nina actually believes she was back at the Dark Queen. Black Swan won his Natalie Portman Oscar for the Best Actress in 2011. This speaks a volume of how good it is in the film, both the audience and the critics alike. same way.
