For more than fifteen years, Robin Sharma has quietly shared with Fortune 500 companies and many super-rich success formulas that have made him one of the world's most sought-after leadership advisers. Now, for the first time, Sharma is sharing her own process with you, so you can get to your absolute best by helping your organization break through to a dramatically new level of winning in these wildly uncertain times. In *The Leader Who Had No Title*, you will learn: How to work and influence people like a superstar, regardless of the position recognition method, and then seize opportunities in times of profound change. Real secrets of intense innovation. Instant strategy to build a great team and become a wow merchant with hard-hitting tactics. Clients to become mentally strong and physically tough enough to lead your real-world field of ways to overcome stress, build an unrivalled mindset, unleash energy and balance your personal life. No matter what you do in your organization and the current circumstances of your life, the most important fact is that you have the right to show leadership. Wherever you are in your career or life, you should always play to your peak skills. This book shows how to claim astonishing power as well as transform your life – and the world around you – into a process. Price: ♥ 616.00 (as of November 28, 2020 12:04:54 UTC - Details) A leader who had no title > Leader who had no title is a motivational novel written by one of the most respected leadership experts Robin Sharma. Talking about all those leaders who were not honored in their conventional field, but their ideologies certainly proved otherwise, is the subject around which the book was written. Pointing out that anyone can be a leader, this book is written in a business fairy tale style, making it even more interesting and engaging. Focused on Blake and his conversations with four unconventional leaders, each conversation chooses several important and basic principles that will help ordinary people become a true leader and achieve positions in their organizations. The book is aimed at product managers and someone, who wants to improve their leadership skills, gives a brief insight into leadership styles, and also increases the ability to understand the difference between where you stand as a leader. Pointing out what you essentially need in your mandate to excel, both personal and professional life, this is the kind of self-help book that quintessence speaks of achieving success in life. About the author: Robin Sharma: Bestselling Author of *The Monk Who Sold His Ferrari* is an International Leadership Professional Guru who is credited with writing 15 books on leadership, people to a better life drawing inspiration from one's own life experiences and others. A leader who didn't have a title, *The Greatness Guide* and *The Saint*, a *Leader Who Didn't Have a Title* and *The Saint* are among his best books. He heads Sharma Leadership International Inc., a company that trains people in leadership. A former court lawyer, Robin holds a law degree from Dalhousie Law School, Canada. <p the= greatness= guide=>Realize Your Genius + Optimize Your Life *The Greatness Guide* is an extremely powerful and extremely practical manual that will inspire you to be world class in both your personal and professional life.
