## Paper mario 64 rom

The story revolves around the main protagonist Mario, who is in a quest to pull the big colored stars and save Princess Peach from an opponent, Bowser. In addition, when players are exploring in the game, they can talk to other characters who are not playable and even collect cards. Mario: King Oramimi came under the sixth game in a series of Paper Mario and also part of the Mario franchise. This game is a cross-genre video game where stories revolve around Mario and his friends who are on their journey to stop the mushroom kingdom from turning into origami, and in order to succeed in this, they must liberate Princess Peach's castle from the five decorative banners that spread throughout the kingdom. Paper Mario: Millennial Door Game has many elements from Paper Mario and is a turn-based battle with an emphasis on adventure and action.
