Search results are sorted by a combination of factors that give you a set of options in response to search criteria. These factors are similar to those you can use to determine which business to choose from the local Yellow Pages catalog, including proximity to your search location, experience in specific services or products you need, and comprehensive business information to help evaluate the suitability of the business for you. Desirable lists or those with selected website buttons point to YP advertisers directly providing information about their businesses to help consumers make more informed purchasing decisions. YP advertisers get higher placements in ordering their default search results and can appear in ad lists at the top, side, or bottom of the search results page.
