The workbook of resources used during research (at least 5 resources). Research Resources: We are doing many activities in class that will help you with building your scrapbook. Any resources we use during class can also be used for scrapbooks- including social study You will also do some research on your own, videos, small readers, internet resources, etc. There are many examples in the online social study curriculum that you can use as maps and videos. The Internet is also a great source- just remember to write the addresses of the site so that you can add them to your booklet. Materials for Schopbokong: I offer some map along with construction paper and the gull. You can buy stackers, acid sade, free paper, etc. If you select but it is not necessary and will not increase your grade. This emphasis is on materials and presentations, not on spending money to buy what someone other has made. Your creativity will be rewarded! How will it feel to plan your civil war unit completely for the next 3 weeks, including 15 lessons, workshops, and answer keys are fully ready to go? Fantasy, best, okay? I'm a former 5th grade teacher myself, so I'm in your shoes and understand the struggle to create meaningful lessons. In particular, I never helped to read time, energy, or social reading the way I want. Now, I worked full time in making us the history curriculum because I want to help you fall in love with your education history. My civil war unit has been used by thousands of 5th-8th grade teachers, so keep reading to find out if it is my #1 sales unit. And here's what teachers are saying... Literally the best resources I've ever bought for my 5th grade classroom! -The A. It's made on TPT in the best purchases! My 8th grador struggled with the most sinuments made for their level, but it was perfect for them. I was able to add them easily to my lesson, and he's well filled in the difference. Thank you! -Amanda M. I bought all of your history units and my students got away from them. The activities are fantastic and contain materials that they can understand. Thanks for your hard work on it! I hope to see more in the future. — Ma'gdie C. Love your units! They don't really take much deeper than this book. My children love social reading. -Maral A. More civil war resources I have created this civil war unit because I want to help you save tons of time and fall in love with the history of education. Additionally, check out my other resources for basic sources like civil war, child friendly videos, and a free timeline lesson.
