The Board of Cricket Council of India (BCCI) on Tuesday announced that it had entered into an agreement with Mobile Premier League's sports brand branch, MPL Sports, as a new kit sponsor and official merchandise partner for the Indian cricket team. Under the agreement, MPL Sports concluded a three-year agreement from November 2020 to December 2023. . Seniors and women and teams under 19 are part of the business for the new kits. Viewers will soon see MPL sponsored Indian jersey in the upcoming men's tour of Australia 2020-21.Apart from T-shirts, MPL Sports will also be allowed to sell the India merchandise team license. MPL Sports will offer t-shirts and its wide range of India merchandise team to fans at affordable prices. Currently, the global sports merchandise brand Nike has been sponsoring India's clothing team. According to a PTI report, Nike had a five-year business from 2016 to 2020, where it paid INR 370 crore. However, the amount of sponsorship Sports has not been released. Jay Shah, Honorary Secretary, BCCI said: The partnership leads us to a new frontier for Team India and for sports merchandising in the country. We look forward to working with a Indian brand as MPL Sports to reach the potential that this sphere holds. This partnership aims to facilitate access to high-quality products by Indian cricket fans, including the cricket team's coveted Indian cricket team jersey for cricket fans not only in the country, but also globally. Sourav Ganguly, president of BCCI, said: We are pleased to announce the dawn of a new era for Indian cricket with the appointment of MPL Sports as sponsor kit for the national cricket team for men and women in India by 2023. We look forward to MPL Sports adding a new chapter to the team's kit, and officially bringing BCCI licensed handy easy and convenient merchandise for billions of plus fans who cheer for Team India. Founded in 2018 by Sai Srinivas and Shubh Malhotra, MPL has appeared strongly in the country's fantasy gaming segment. The startup tried to encourage its association with the country's favorite sports, cricket. This year, the startup was among a flock of companies that sponsored one of the most popular T20 IPL cricket tournaments. Its rival Dream11, another fantasy game startup, has won the title of sponsor of the tournament.Commenting on the partnership, Abhishek Madhavan, senior vice president, growth and marketing, MPL and MPL Sports, said: India is a market with a billion cricket fans and we see a lot of potential in the subpenetrated commodity market in India. We hope to closely associate with BCCI and take all types of India merchandise team to the masses – with offline as well as affordable online distribution. Associating with the Indian national cricket team is a matter of huge pride for us and we want every fan in the country to feel the same way and have access to the merchandise they can proudly display. It should be pretty simple. It's not. A simple Google search leads to sites like eBay, etc. There is no place where I can buy an OFFICIAL T-shirt? I'm getting ready for the World Cup. Cup.
