If a defect is present and a valid claim is received within the warranty period, the defective product may be replaced or repaired in the following way: (1) Return the product to the manufacturer for repair or replacement at the manufacturer's choice. The manufacturer may request proof of purchase. (2) Return the product to the retailer where the product was purchased for exchange (provided that the store is a participating retailer). Returns to the trader should only be made for exchange within the period of the merchant's return policy (usually 30 to 90 days after the sale). Proof of purchase may be required. Please check with the retailer for the exact return time for returns that exceed the time set for the exchange. Please call 1-877-571-2391 for more information or return instructions. This warranty does not apply to accessories, light bulbs, fuses and batteries; Defects due to normal wear and tear, accidents; damage caused during shipping; Changes; unauthorized use or repair; neglect, abuse, abuse; and does not follow instructions for the care and maintenance of the product.
