## Teenage mutant ninja turtles legends apk

Ninja Turtles: Legends - The game is a genre TBS for your favorite superheroes from childhood. Loos team turtles must fight the villain Krang, who has a hatching plan to destroy the world. But on the way to it, you have to fight a great army of your minions. Before sending a combat player is asked to undergo short but informative training. Gameplay is a turn-based battles in which to alternately attack and defend against attacks. The battles are dynamic and interesting, so boring on the way to the final boss will come. In battle you must select targets and carry out attacks using spetsumeniya turtles. After each battle should go to the main menu where to earn money to buy cards to the skills of heroes. Graphically, the game is designed for classic style projects about teenage mutant Ninja Turtles. There are bright juicy colors and effects, nice animation characters. Complement all of the above with fun sound effects and a catchy soundtrack. Ninja Turtles: Legends - a good step-by-step strategy that appeals to both nostalgic adults and kids. Ludia Inc.
