Rc66x remote manual

© 1996-2014. Amazon.com, Inc. or its affiliates Sometimes even a time-consuming device needs a little bit of something to get started. In the case of your DIRECTV Universal Remote, all you have to do is enter some information and press a few buttons. DIRECTV offers two types of devices: standard universal remote control and universal remote control of the Russian Federation. Both models allow you to control up to 4 entertainment components, including directv receiver, TELEVISION, DVD player and video camera. You have two programming options for your DIRECTV Universal Remote Control, on-screen and manual. On-Screen Programming This programming method displays a simple, step-by-step guide on the TV screen. Press the MENU button on the remote control. Select & Settings Help. Select Settings. Select Remote control. Select Remote control. Follow the on-screen instructions. Manual programming Follow these steps to manually program directv universal remote. After turning on the TV and receiver, the following steps are: Find 5-digit code for your TV brand. With a list of codes by brand can be found on the DIRECTV website. Find the MODE switch on the remote control and move it to the TV position. Press and hold the MUTE and SELECT buttons at the same time. Release the buttons after the green light at the top of the remote control flashes twice. Enter the 5-digit code. Find the green light under the TV to flash twice. To aim the remote control at the TV, press VOLUME UP. (If the volume doesn't increase, try a different code and repeat steps 2 through 4. Press the MUTE and SELECT button again at the same time, find the green light at the top of the remote control to flash twice. Use the remote control keyboard to enter the number 960. The same green light on the remote control should flash twice again. Move the MODE switch to DIRECTV. If you need more help, try the Help Center on the DIRECTV website. You can search for questions and answers, consult interactive guides, and many other questions. Once you've programmed your universal remote control, start enjoying directv's exceptional programming line.
