Look for another angel (they are dressed the same way). Click next to it to start a vigilante-style murder spree. In these missions you will fight with different groups of hooligans around Staunton Island. The best strategy is to run them down in the car, or use melee blade weapons to cut them down. Use Molotov cocktails, grenades and other weapons that can howled several opponents at once. If your friend Avenging Angel dies, you must find another within term or the mission ends. Endless shotgun and drive away a few blocks away. Go back to the store and it will be reinvented with another shotgun that you can once again take from him. Endless Sprint Instead of keeping X to run, repeatedly click X. Get to other areas early to reach Staunton Island early, go to the docks. Drive your car to the docks. Make sure it's not a good car as you can't take it with you. You're on Stanton Island right now. It also works for Liberty City. Exceeding the garage limit Get a motorcycle and press X to guide it before the door closes again. With the car, keep pushing it to the garage door until he and then keep pushing it while it's inside. The park vehicle is already in the garage halfway to keep the door up. Then come, like so many others. how you can fit. Make sure you can reach the door on them or you may not be able to get them. Light fistfight When attacking the enemy during a fistfight (or using brass knuckles), run to them and hit the circle repeatedly. Even if you'll just be running into them and can stay still, you'll continue to perform a running kick attack. If you keep tapping the circle, Tony will continue to do this attack quickly and your enemy will not have a chance to strike back. Barracks OL (army truck) Find the landfill and go into it. Next to the wall will be barrack OL (army truck). FBI Car Get Five Star Wanted Level and FBI cars will appear. Once you see one, turn on the Wanted Level to disable the code and quickly get into the FBI before it goes away. When you are driving an FBI car, turn on the siren and all the other cars will move to the side. It also has good speed and handling. Hellanbach GT If you are looking for a Hellanbach GT for LoveMedia crazy car succumb, there are two ways to get one. First, to complete Level 4 in the car salesman's mission. He's going to show up at the salon. Second place can be found in Shoreside Vale. Head to the first house in the lower row of houses in the Cedar Grove area. Look at the driveway to the garage. If it's not there, go left or right, then turn back. There must be one sitting in front of the garage. You can also get a Hellenbach GT during a mission where you have to kill a Sindacco gang member. JP will call and tell you to take his car as an advance on the money he owes you. This Hellenbach GT car. Save the car in your garage until you need it for a love fist car giveaway. Thunder-Rod When you make the third or fourth mission for Ma Cipriani called Grease Sucho, you have to win the race. Once you win you have to kill Sucho. He'll be in the car with the flame down the side, called Thunder-Rod. You have to ram the car to pull it out so you can kill it. However, don't let the car explode. If you do, it will be very difficult to complete the game later. In the Love Media mission you have to deliver sixteen different cars. and Thunder-Rod is one of them. Once you ram Sucho's car enough to make him get out, kill him and then take the car and put it in your garage. Katana After completing the mission of Leon McAffrey Crazy 69, you will hold the sword samuri used during the missions when fighting gangs to save ammunition for later levels. You can cut many swarm opponents at once if you keep moving around and pushing the circle. M60's Vale There is a m60 in the airport parking lot. There must be a small hole to your left. When you go through it, there is a secret bag and a magnum. Keep walking around the airport until you're stuck. There is a small gap between the edge and the hanger of the aircraft. Drive the moon with a sniper rifle to make it increase in size. Repeat this to make it grow bigger until it returns to its original size. Free shotgun and ammunition Find a police car to get a free shotgun or bullet for it. Free items At the beginning of the game you can also go to Pay 'N Spray for free the first few times. The best weapon aimed while holding an R, click down. Holding L also allows for more controlled aiming (slows down the movement of sights). It works for a pistol, shotgun, assault rifle and mini gun. Use this method designed to pull gang members into their cars, pop tires, or shoot down helicopters. Kill someone without getting stars Get a car (recommended) or bike and then ride fast enough so you can jump out of it and kill someone at the same time. Drive directly to the target and jump out. It won't work if you pop out too late. You can also hit police cars by doing this and not get into trouble. You can hit gang members and they won't chase you. However, if you do this with someone the police are chasing, the officer in pursuit will aimlessly escape. Killers Once you complete the Mission No Son Of Mine, Ma will put a hit on you. When the killer tries to attack, kill him, as it will not be difficult to kill. He has to carry money, body armor and a good gun. Motorcycle passenger Using the vehicle to ram the motorcycle with two people sitting on it. Then get on the bike and shoot at the driver, but not in the back of the passenger. If done correctly, the remaining passenger will jump back on the bike and sit behind you as you drive around. Note: You will not be able to bail out the bike and shoot him. Snow To change the weather to snow, find a car shop in Portland. Start a car dealership mission where you have to sell cars to people by doing what they want. If you get to level 9, it will start snow to make it more difficult to drive in. chrome-coated bat Turn Chrome code and then pick up the bat in your Portland safe home. Easier to complete a mission Once you get the point where you can do missions for Ma Cipriani (C on the map), don't keep doing them until they're your only option. After Ma No, my son's son she'll send the killers after you. They will appear until they are all killed, making future missions more difficult to complete. Easy Completion of Mission Peace In this mission, you have to take control of The Car of Paulie Siddaco and kill gang members. Turn on the code Pedestrians follow you. Taking control of his car, he will come out. Drive to the area where you kill the gang and they won't attack you, making it easier for you to kill them. Once you complete the mission, Paulie Siddaco will be in your van. Big air to get great air from any car, turn on the size of motorcycle tires and then use any bike to fly over the cars. Also drive at top speed on the PCJ-600 on the wrong side of the road. When you see Banshee, drive straight into it. It works even better with Sanchez. Drive the destroyed vehicle Find the vehicle Find the vehicle with the driver in it. Click Triangle to get into the cars code. If done correctly, you should be in the vehicle will be fixed but still look burned. Car stuck on bridge While driving on the bridge is up and then hit the car about halfway through the bridge with it halfway hanging over the edge. When the middle part of the bridge comes back down that car has to get stuck and half of it sticking out of the bridge. Bleeding vehicles Take a normal shotgun and walk straight up to the rhino. Use your hand aim and shoot straight at the rhino is targeted because it does not explode. It works well at the airport so you don't get the wanted level. Note: Blood only jerks when you fire from certain points of view; Down and right a little bit works better and you have to be directly against the tank and use a manual target to do so. A drive over the wall in Staunton Island in the Rockford area, right next to the hospital is a construction site. Get the PCJ 600 and ride it to the red bar at the entrance of the construction site and break it. Then, back up time and go as fast as possible. Go up the mud pile ramp inside the construction site. When you are on the first roof, go to the second roof at the same time by bike. Then go to the wall. When you make a fall, you'll be in the unfinished tunnels below. The only way to get out is to die. Smiley face sign in Staunton Island look for a place where you should chase chase to church missions. It's a garage-like place. Find the wall. Follow this wall until you find the ramp. Once you reach the ramp, don't approach it. Continue to follow the wall and run back to back. Turn left to find a hidden location. In Grand Theft Auto 3, the sign read: You don't think to be here. Instead, the sign read: You don't think to be here. Instead, the sign for JD, when the helicopter makes its second stop on top of the building in the red light district, get the bike. Prepare him for the stars. Make sure no one is killed or the mission is over. Then click the Triangle, standing next to the helicopter to sit on it and fly around. Chinese Food After Wong Side Of The Tracks Mission After completing the Wong Side Tracks side of the mission, go directly to your Portland Asylum. You should see Chinese food on the table inside the safe. Game of Death Links After completing Leon McAffrey Crazy 69 mission where you run around in the park and kill gang members with the samuri sword, you get a Dragon jumpsuit version of the clothes in your safe. This article of clothing is exactly the same as the one that Bruce Lee wore in his 1973 film The Death Game. Grand Theft Auto: Vice City Links During the introduction of the sequence for the Biker Heat mission, the poster above Mary's bed depicts members of the imaginary rock band Love Fist, which was the band Tommy Vercetti befriended and completed missions in Grand Theft Auto: Vice City. Play Italian Set your system language in Italian and then start the game. The game menu, messages, mission notes, and even some car names (police, ambulance, etc.) and locations (Francis International Airport, etc.) will be in Italian. However, it is not spoken, but the subtitles will be in Italian. Note: This does not work with any other language.
