I asked to be in a lower area, because I have knee problems, had to walk uphill to get into the room. Very guiet place with great ocean views Amazing location and charming atmosphere! It reminded me of old school New England with cottages on cape. The staff were very friendly and helpful. The cottages were a little dated, but this added to the charm of the old school. The staff were excellent at COVID at the time, they thought about everything to keep all the needs of the hotel safe and settled. They were always there if I had guestions/needed something/to help elevate my presence. I can't say enough great things about this place! It is easy to maintain social distances. The staff were very friendly and helpful. Beautiful garden, private beach, which made it easy to space itself. The restaurant on site was very good and my you don't have to leave the grounds.
