We'll be more than happy to answer any questions you might have. How can a private investigator help me? A private investigator can be a valuable asset to anyone. A licensed professional investigator will provide you with permissible court evidence, as well as the truth you are looking for. We work closely with you to ensure we not only achieve your investigative goals, but we are working diligently to exceed your expectations. How can you save me money? Our experience allows us to do our investigation efficiently. We work diligently to ensure that every hour worked on your case is as effective and effective as possible. Do I need to be an investigator? It is strongly recommended that you hire a professional to perform Having an enquiry on your own is not only dangerous, but can put unwanted responsibilities on you. Our team has experience and training to help you achieve your investigative goals. Do I have to give you personal details? Yes, while it might be difficult to talk about the personal details, provide additional information to our investigators while examining you will potentially yield you better results. What do I get from an investigation? Peace of mind. A professional investigation will provide you with the facts, and the truth that you are looking for. Whether you need proof for personal reasons, or if you're looking for permissible court evidence, our team is here to help you. If you are ready to take the first step towards peace of mind, please don't hesitate to contact our investigative team. Todd and his private professional investigators are the best high tech investigators I've ever had the privilege to work with. He and his team are confident and reliable who seem to still think out-of-the-box! Thanks for an awesome job!! I worked with Todd Red and his team to handle my case. When I first hire a private investigator, I needed someone who was able to work with me with complete discretion. They've handled the case without any problems. I would highly recommend them. I put in touch with the PI agency for some scrutiny work I needed to do in Atlanta. I found them to be very good, fast and above all, specify in information they provided to me. I would have no hesitation in recommending Todd and his company. Metro Atlanta's private investigators believe you deserve to know the truth! Will your spouse remain faithful? Communicating marital adultery? Cheating? Do you need help with a custody or divorce case? Is your car, office or home bugged with illegal listening devices? Is your car or your child's car being taken followed by a GPS device? Do you need an executive protection specialist team? Do you have an employee question? Embezzlement? Are you threatened by an employee? Have you been the victim of insurance fraud? The worker? Would you like to know where someone is missing? Do you ask someone's head including any criminal history? Have you had things stolen from you by unknown people(s) or family members? Allen Investigative Services, Inc. consists of a team of trained, licensed professionals who specialize in discreet, confidential corporate and domestic investigations and surveillance. We are the best, most experienced private undercover agency in Georgia, doing investigations in and around the Atlanta metro area. We serve clients in Marietta, East Cobb, West Cobb, Dunwoody, Sandy Springs, Brookhaven, Roswell, Duluth, Johns Creek, Vinings, Acworth, Woodstock and Alpharetta, among others. However, our Global Satellite Tracking (GPS) extends nations worldwide with great accuracy, which can report positions every 10 seconds, but can also remotely change at once an hour or even once a day. These states of art units can last from three weeks to three months, depending on the amount of usage per day. Whether your needs focus advantages, adultery, or simply need a background check, we have the skills, training, and high tech equipment to get the job done. Evidence we have collected proved to be invaluable in divorce, custody, hiring theft, insurance fraud, and work strike situations. Work violence can far exceed the shooter's staff and staff as individuals. Mass shooting occurs around the area of Atlanta and around Houston. Our Atlanta Private Investigators can, and they have, incurred plenty of surveillance about fired employees to keep a safe distance between the staff and the workplace, along with keeping an eye on some of the executives and their families. This is far more economical than there are several injured staff(s) and associated civil suit(s) that will follow. We will testify on your behalf of any federal, State, Superior or Magistrates Court. Our mission is to provide state of art services and investigation in a private, prompt manner. The team of Allen Investigative Services, Inc. understands that a private investigation produces more than just evidence. We also give peace of mind and security while need to know. From Lawrenceville to Douglasville, and Canton in Jonesboro, we are available twenty four hours a day. Call the agency that has been meeting customers' needs throughout the Atlanta Metro area, and worldwide, since 1986. We now have the ability to track license plates and locations last. For example, this works great in cases of runaways, where it is unknown whether they went to Florida or California. There are many other uses with this brand new technology. Call us today for a free confidential consultation at 770-924-7200 or 770-977-0404 or 770-517-8988. We answer our phone 24 hours a day, including holidays.
