It should be called the keys to a successful marriage and the family in the black community! Although it focuses around the part of the woman in the relationship, it also shows the roles of men. It clarifies and confirms how both parties have and shows the necessary steps to get things back on track... I agree with 95% of things in this book..... If someone gives this book a bad grade, either they don't read it or was disabled by the title of this book is very misleading ..... It should be called the keys to a successful marriage and the family in the black community! Although it focuses around the part of the woman in the relationship, it also shows the roles of men. It clarifies and confirms how both sides have gone wrong and shows the necessary measures to get things back on track... I agree with 95% of things in this book..... If someone gives this book a bad rating, either they haven't really read or been disabled by the title. ... plus It's a wonderful book for black men and women. I agree with about 90 per cent of what Dr. Ali has said. Black women this book will make you take a hard look at yourself! You will reject it or be willing to make changes in your life to improve yourself and your relationship with our black men! very good book every black man should read, I would say that this book was a good laugh if I did not think that there were people who took him seriously and tried to implement his weird ideas in their lives. I would say this book was a good laugh if I didn't think there were people who took it seriously and tried to implement his weird ideas in their lives. ... the more I have owned this book for a few years and from time to time I use it for reference. This book is so about. The edition is not so great, but overall this book is the truth. He's not talking about all black women, but what he's doing is telling you what to look out for. The only people who call it trash and hate this book are the very kind of women that are mentioned in this book. Read the book for yourself and use the knowledge. This book is for blacks only for a black woman who thinks I have owned this book for a few years and from time to time I use it for reference. This book is so about. The edition is not so great, but overall this book is the truth. He's not talking about all black women, but what he's doing is telling you what to look out for. The only people who call it trash and hate this book are the very kind of women that are mentioned in this book. Read the book for yourself and use the knowledge. This book is for blacks only for a black woman who thinks Eurocentricity to give her opinion on she is totally irrelevant because she can deny it all day, but that's the truth, there is already a civil war of the sexes between blacks and black women. Brothas are not turned off by the women's comments because it's not for them. It's not about how to please Black women is a guide to identifying the kind of black woman you shouldn't get involved with and you'll remember the kind of women you treated or dealt with when you started reading this book. ... More Shahrazad Ali dropped a bold and powerful gem for African men and women in the 1990s. A lot of things have been ignored and yes we are still to find an answer to our journey around the world. We were given tools. If we want to create unity, peace and harmony among our own, then we must finally understand what Shahrazad says in this book in order to move forward. Blackman-BlackWoman-Peace, Loyalty, Harmony, Wisdom and we repair the world. The world is out of place because we are not in its place. ... more sexist. Very sexist ideals. It was sometimes difficult to get through this book. This book is what happens, in my opinion, when men decide that they are authority and women are somehow unable to govern themselves. I wonder how this book and message would be read if it were written today. Also worth reading for the black community in efforts to repair the tragic psychological damage caused by slavery when it comes to the black family. Also to read for the black community in efforts to repair the tragic psychological damage that slavery has caused when it comes to the black family. more Who has a pdf version of this book and also the other, and want to email it to me? Fjiefakramp@gmail.com What can I say? That was awesome. Seriously, this was one of the most amazing and in-depth views of African-American family life I've ever read. This book is so prophetic. And little surprises me these days. The same general characteristics of African-American women displayed in this book at the time are still today. As old as this book is now, I would always recommend this book to anyone, of any race, of any age! What can I say? That was awesome. Seriously, this was one of the most amazing and in-depth views of African-American family life I've ever read. This book is so prophetic. And little surprises me these days. The same general characteristics of African-American women displayed in this book at the time are still today. As old as this book is now, I would always recommend this book to anyone, of any race, of any age! ... More this is one of the best books I've ever read. I read it for the first time when it is and its content continued to ring true in 2015. It lays bare all games, insecurities, mind games, emotional diarrhea, etc. Gives context to much of the manipulation within a given black relationship... MUST READ!!! This is one of the best books I have ever read. I first read it when it came out and its content continued to ring true in 2015. It lays bare all games, games, mind games, emotional diarrhea, etc. Gives context to much of the manipulation within a given black relationship... MUST READ!!! ... plus I really like what Sister Mrs. Shahrazad Ali had to say.... Maybe I need more time to give the big review for this book of impressive/unique quality, while wanting to read and get his other book. The Blackwoman's Guide to Understanding the Blackman. I really like what Sister Mrs Shahrazad Ali had to say... Maybe I need more time to give the big review for this book of impressive/unique quality, while wanting to read and get his other book. The Blackwoman's Guide to Understanding the Blackman. ... plus the author really nails point ont although the book was written in the 80s, it resonates today. very powerful indeed of the mind of a woman who looks at cultural norms. I would recommend this book to anyone who wants to understand the spirit of a black woman... plus every black man should read this book to better understand our black sisters. Had to read the book twice, sometimes very painful, but real statements made
