According to Chatty Cathy Collectors Club, we give 1960-1963 Mattel Chatty Cathys the following values.: Chattys are not rated the same as vintage barbie are, where the first models are rated higher. Some restaurateurs have made changes to Chattys. Chattys can appear at a puppet show or for resale on the internet or in re-entrenched hair publications, saying different phrases or have an unusual eye color for this model. We don't give credence to these Rare Chattys. Don't be taken and pay big for these dolls. The only repair and restoration service we recommend is Chatty Cathy's Haven KDM913@aol.com.
