Summoners War Query Share valid code with community Reward Code Vote zocardsummoners x3 Expired com2usmaanse x3 x200 x100Expired swmmoculture x150 x2 x150Expired Updated January 1, 2021 | War Summoners is the hugely popular turn-based RPG for mobile devices released by Com2Us in 2014. Also known as Summoners War: Sky Arena, it garnered a huge worldwide following thanks to its easy-to-use mechanics and compelling hero aspect collection. With over 1000 creatures of different types to collect, there is much to see and do. Settling for a five-unit group is not an easy task given the huge choice at your disposal. If you're just getting started, it doesn't hurt if you have some war summoner codes ready to give you a boost, so let's look at the latest 2021 Summoner War promotion codes, as well as some older keys. How to redeem summoner war codes Some of the following summoner war promotion codes are only available during a limited period, so it is normal to find that some of them have expired. Other codes can have a longer lifespan and come in handy to push your units to different from them in terms of them. Among the rewards you will find crystal, scrolls, energy, mother and more. To redeem the Summoner War promotion code, you must do the following: Run Summoners War. Select Game Guide, scroll down, and click on the banner Enter the promotional code exactly as it appears and press Enter. If everything went according to plan after redeeming a code, you should see a message that would say The coupon code has been redeemed. However, you can also get a few errors that may or may not be solved. If you receive a message stating that the forwarding code does not exist, check the code again and make sure you type the correct letters and numbers. Beware of zeros and o changing them will definitely lead to incorrect codes. Playing with a guest account won't allow you to redeem codes, so sign in with your existing Summoner War account or create one. There are several ways to do this, which include connecting to your Facebook or Google account or creating a new Hive account under the settings. Some codes may have expired, so if you're absolutely sure you typed correct code and not accepted, scratch that code and move on. In other cases, the code cannot be used because of a network issue. Check your connection and if all is well, including game servers - watch out for scheduled or unplanned maintenance. Summoner war codes | The promo codes were released in 2020 and before the list of Summoner Wars codes below includes many promo codes that were deemed valid. However, some of the codes probably don't work by the time you read this, and for many different reasons: a code may have been offered in a limited case, so it may have expired by now; others may be limited by the number of players they request. Nevertheless, there is definitely something down that is going to give you a hand, and we will continue to add new codes as they have been released.
