I read it on The 7h. for my class and it offers so many opportunities for rich and meaningful conversation. Do people really change? What's the burden of forgiving someone? What is more important: material wealth or happiness? The protagonist is actually an adversary, and yet everyone can relate to him. She sheds light on the ugly parts of ourselves that come out when we are sad, angry, jealous and lonely. Crash shows that we are more alike than different, that I love this book. He happens to be a thorn in the side of John Crash Coogan in Jerry spinelli's novel of the same name. Ever since Penn Webb moved into the neighborhood before first grade, Crash has enjoyed tormenting him. The peace-loving Quaker Penn has all the qualities crash doesn't have: kindness, gentleness, thoughtfulness, creativity and empathy. Penn makes Crash feel uncomfortable with friendly How could someone as tough and cool as Crash be? Be? Someone like Penn? Crash tries his best to avoid him until he meets Mike Deluca. In sixth grade, Mike Deluca meets Crash. Mike's the second half of Crash in every way. Both boys love football and the physical intimidation they have towards others. They're tough and ready for battle. It won't be long before both boys form a friendship that extends beyond the football field. It also won't be long before Mike starts screwing up crash on Penn. In response to Mike's encouragement (and diabolical attitude) Crash will soon begin playing pranks on Penn. When both boys come to middle school, Crash gets his asses. Super-competitive athlete Crash and his goon friend bully Penn whenever they have the chance. Trying to strengthen his reigning Crash Man reputation and impress cheerleader Jane Forbes, Crash and her best friend Mike Deluca by mercilessly mocking Penn, making his sheer existence almost unbearable. Yet Penn remains true to his position on peace and refuses to attack bullies. A few things continue to fuel Crash's hostility to Penn. One of the most prominent is that Crash's parents don't give him time of day. They work hard to provide their children with a good life, but that means they rarely have time to spend with them. In fact, they miss a big football game where Crash scores a record number of touchdowns. By contrast, Penn's older overlooks him with affection and praise, will they never miss an opportunity to cheer him on when he joins a cheerleading group. Another point of contention is the friendship Penn shares with Crash's little sister Abby. Abby's the opposite of a crash. He loves Penn's easy, pleasant spirit and quickly embraces many of the environmentally friendly reasons he is passionate about. Crash's anger rises when Penn befriends Jane Forbes. Although Jane is not interested in brutal Crash, she dotes On Penn, one of her cheerleading teammates. Crash struggles to understand how a girl like Jane can abandon her in favor of someone like Penn. He doesn't see the flaws in his character and accepts the positives of Penn's personality. As the book progresses, it seems that the only person who really loves and understands Crash is his grandfather Scooter. Old sea dog Scooter moves in with crash's family and becomes a pseudo-parent: cooking in the kitchen, telling stories to children and supporting grandchildren towards them. Scooter offers Crash the attention he craves, and Crash adores him for it. The tension between Crash, Penn, Crash and Jane increases as the holidays approach. It comes to a head when Jane publicly rejects Crash at the school dance. Fueled by confusion and the associated rage Crash will avenge his anger at others. During an innocent family football game on Thanksgiving, Crash tackles his grandfather... Hard. A month later, Scooter was hospitalized after a massive stroke. Scooter returns to the family home, but he can't do everything he once did. The impact has been destroyed. He's lost the person he loves the most. Webbs support and empathize with food, and Penn gives Scooter a special Missouri River Mud, which he believes cures any ailment. Crash is touched by a gesture from someone he's only tormented. When Mike comes in during the Christmas break and plays with one of Scooter's hats (no sympathy for the stroke), Crash goes ballistic and friendship begins to unravel from there. This causes Mike to retaliate against Penn, which extends both the frequency and intensity of his bullying efforts. Meanwhile, Penn has come up with his own plan to compete in Penn Relays. As he prepares, he drives through the neighborhood every night, rehearses. Crash, the fastest kid in school, finally figured out Penn's plan. He learns that Penn wants his great-grandfather to see him race in the Relays when he visits in the spring. The whole novel culminates when Crash and Penn go head-to-head in a race where they can snatch the final spot on the school relay team. With surprisingly selfless moves, Crash lets Penn win. This is a great opportunity for Crash's personality. Since Scooter needs medical attention, Crash's mother moves into part-time work and is more at home. Crash becomes helpful, more respectful to his parents, friendlier to Abby and sympathetic to others in general. He also becomes an unlikely friend of Penn's, who understands, accepts and even embraces Penn's quirks in favor of his star character traits. Back to the top, Jerry Spinelli, Author, Seymour Chwast, illustrator Alfred A. Knopf Books for Young Readers \$16 (176p) ISBN 978-0-679-87957-2 More By and About This Author Spinelli (There's a Girl in My Hammerlock) takes a muscular, bullying athlete who is a villain in so many middle-class novels and casts him as the narrator of this agile story. Since first grade, Coogan has tormented Dweeby Penn Ward, a skinny vegetarian Quaker boy who lives in a small former garage with his parents. Now that they're in seventh grade, chippy chirpy upbeat about Penn even better target: Penn just doesn't continue to use Second-hand clothes, she joins a cheerleading group. But even if Crash becomes the school's star football player and wears the most expensive togs in the mall, he still can't get what Penn has - the attention of his parents and the admiration of the school's most amazing girl. And with his beloved grandfather Scooter severely disabled by a stroke, Crash no longer sees the fun of playing raw pranks and begins to realize that there are more important things in life than using new links and being a sports star. Without being preachy, Spinelli packs a powerful moral wallop, leaving a full narration to drive his cause home. All ages. No, no, no. Audiobook sample from Penguin Random House Audio Audio
