If you are together, then it may not be very useful. Talking through financial topics, sex, spirituality, theory, biblical, relational and communication, all focus only on your relationship. Now my husband and I use this while we Long distances for most of our contributions and it helps us prepare for our marriag, a very useful educational guide for couples who want more than the 'traditional' questions you may ask each other through your relationship. If you are together, then it may not be very useful. Talking through financial topics, sex, spirituality, theory, biblical, relational and communication, all focus only on your relationship. Now my husband and I use this while we are far away for most of our engagement, and it helps us prepare for our marriage more than anything else we do. A great tool to help focus and clarify, as well as facilitate your relationship.
