## Powerschool marion county

Attention Parents and students, Monday, December 17th, Powerschool becomes unavailable during the morning hours due to a system upgrade. It is expected to be up and running again by midday on Monday. During this upgrade a new feature used will affect how you log in to the Parent/Student web portal. The main advantage of this change is that parents only need to know a set of credentials to see information about all their students. You were given a unique username and password to log into the portal earlier in the school year. These credentials will no longer work, but are still required to log in. Any person who wants to log in to check grades/attendance/etc will have to create their own unique account username and password. Once the new account is created, you'll use the old usernames and passwords you get earlier this year to link your student's account(s) to your newly created account. Follow the steps on the right to create an account and sign in. After 12pm on Monday, December 17, you must navigate to . Note that the login screen looks different, and select the Create Account tab. After you select the Create Account tab, click the Create Account button. Fill in the necessary information on the page that is displayed. On this screen to the bottom, enter the Access ID and password for each student you want to monitor. The access ID and password are the same credentials that you used to log on to the portal before the new upgrade. When you're done, scroll to the bottom and press Enter. After pressing the Enter button, you can now log in and see the student's information. Click this link to get a printable PDF to see steps to follow. Skip to Content Welcome to Marion County Schools! Our mission at the Marion County School District is to provide all students with a high-quality education in a safe, nurturing and challenging learning environment. EDIT HTML BLOCK Consolidated Application Faculty, staff, community leaders and parents can review the attached draft of the consolidated application and submit questions via email porter.cassandra@marion.k12.ga.us, call 229-649-7520, or write to Cassandra Porter, Marion County Schools, 1697 Pineville Road, Buena Vista, Ga 31803.
