## Specially or especially diferencia

English Vocabulary - Vocabulary - Vocabulario de ingl s Key is used especially to say that there is something that applies more to one thing than the others. Specially used to say that something is done for a particular purpose. Before qualities are better used especially to emphasize them. For example, especially good (but not specifically good). Can not be used especially at the beginning of the sentence. She loves vegetables she particularly loves carrots (but not especially se usa para decir que algo es hecho para un fin determinado. Antes de adjetivos es mejor usar especially para enfatizarlos. Por ejemplo, especially good (Peru is not particularly good). Especially not puede usarse al comienzo de unaci n. She loves carrots). Especially we should practice more, especially grammar. Everyone loves this cake, especially the kids. This part of the film is particularly interesting. Specially for this mouse specially designed for left-handed people. This cake is specially made for you I have specially loved the cake pro Siguiente Volver page 2 library - Libros para aprender s English as the language F\*cking second in English, insults is essential for effective communication.
