Car Eats Car 3 MOD APK (Infinite Ruby/Energy) is an innovative game from SMOKOKO GAMES. This is the third part of the popular Car Eats Car series, this game has been heavily upgraded in terms of gaming as well as graphics and sound. Table of Contents [Show]There are no speed races or modern supercars, this game gives you extremely funny and fun car battles, which you have never seen in other automotive-themed games. Let's find out which part 3 of this game has more outstanding than the previous two parts. An exciting game, Enter Car Eats Car 3, will be transformed into real crazy cars. You're not a driver, you're a car. These cars aren't like the normal cars you often encounter in real life. They are installed from materials on the waste. These guys look big, funny and also extremely weird. However, do not neglect because they have special combat capabilities, ready to break everything along the way. The Eats Car 3 car has a mechanism through attractive overtaking. Use a virtual key game system, take your car out on the street and get involved in survival vehicle battles. Complete the missions the game gives you, go to the end of the road so you can progress to the next level. Of course, the police and people won't like your presence at all. They'll always want to destroy your car. This time, you need to play the villain, using your car to crush all the cars around you, including large trucks or even a tank. In addition, along the way there are a number of death traps such as doors, hanging stones or steel fences. Your car is very buffalo, but also limited. Every time you hit, you're going to gradually run out of blood. If you run out of HP bars, you'll lose and the game will end. However, eat hearts on screen to constantly increase the amount of blood for you. You will discover completely different environments according to each level. From modern streets to off-road racing or the Great Wall. Everything will bring you the most interesting experience. In addition to overtaking modes, you can also challenge your friends on the game charts. Unlock the noble medals in the Eats Car 3 car, top of the leaderboard and let your friends know the benefits. Converted into cars What I like best about this game is the car system. Car Eats Auto 3 has a lot of unique and weird cars in the store to unlock. Each car has different weapons that look extremely stiff. In addition, you can also implement two special car moves such as dropping bombs, shooting lasers, acceleration, magnets ... It will make your battles much fiercer. Pay attention to your energy bar, if you run out of energy, you can not use your skills. In addition, you can upgrade your cars. Equip heavy weapons to crush all opponents. Upgrade the armor, turbo and repair the damage to the vehicle after each battle. Graphic design, although built only on 2D graphics, but the shape in Car Eats Car 3 looks very fun. The physical movement of the game also looks very interesting when watching flying cars jump, stunts in the air. In addition, the fire effects are also specially elaborated by the release, bringing the most perfect experience for players. Infinite Rubies Unlimited EnergyCar Eats Car 3 currently only supports Android. So you can download Car Eats Car 3 APK MOD Money or install from Google Play app market to experience this game.
