The story of channon rose book pdf

© 1996-2014, Amazon.com, Inc. or its affiliates Textbooks NOOK Textbooks Teens & YA Kids Toys Games & Collectibles Stationary & Gift Film & Tv Music Sale Former porn star and now a YouTuber, Channon Rose takes you through her childhood, which is filled with serious traumatic events. Channon's childhood story is both disturbing and captivating. Channon shares her darkest secrets about her life in this book that she doesn't even share witty family or her dearest friends. Channon spent most of his childhood in and out of psychiatric hospitals, dealing with drug addiction; She was a little girl; she dealt with emotional and physical abuse at home; and she struggled with eating disorders. These are just a few of the personal stories she shares in this book. This candid story takes you along for the ride while you follow the life of a girl out of control. This incredible journey will whip you through an attempted murder and deportation from most schools and will put you at the heart of what it's like to be young and alone with a stepparent psychopath and a desire for death. Every moment of this true story will lend you insight into the mind of a lost little girl and how she ultimately manages to survive through it all, despite the odds. Are you up for a wild ride? If so, take a look inside. {TOTAL_SLIDES}- Best-selling CURRENT_SLIDE slide in Nonfiction4.7 out of 5 stars based on 72 product ratings(72)4.8 out of 5 stars based on 400 product ratings (400)4.3 out of 5 stars based on 11 product ratings (11)4.8 out of 5 stars based on 218 product ratings (218)4.9 out of 5 stars based on 36 product ratings (36)4.7 out of 5 stars based on 66 ratings product rating (66) 5.0 out of 5 stars based on 3 product ratings (3)Slide currently {CURRENT_SLIDE} of {TOTAL_SLIDES}- Save on Nonfiction Channon Rose, Behind the lines & ahead of the Times! I give this book every star in the rating system. I read a lot of nonfiction and there are a large number of books I never completed (and probably never will) because I lost interest or the author lost me somewhere along the journey. But not this book!!!! I usually want to complete a chapter in my specified Reading Room but this book embraces me & connects me in a way that few others do. I mean can't put it down (even after leaving my Channon Rose R, Behind the Lines & Front Times! I give this book every star in the rating system. I read a lot of nonfiction and there are a large number of books I never completed (and probably never will because I lost interest or the author lost me somewhere along the journey. But not this book!!!! I usually want to complete a chapter in my specified Reading Room but this book embraces me & connects me in a way that few others do. I literally couldn't put it down (even after leaving my Reading Room)! I really got into this story although I know Channon Rose. Ironically, I had never heard of her before reading this book. However, I began to realize that I had met her many times before. Not the author of this book but my cousin Channon Rose. She also didn't get the love and attention that a so-so little girl desperately needed. My first girlfriend was Also Channon Rose. She loved me & verbally it often while I had no clue that I was selfish & shouldn't have been with her, in the first place. I didn't love my Channon Rose, I was more in love with his anatomy and all the fun ways I could play with it!!!! So when I read the words of the author, I was really able to embrace her in ways that I embraced a sister, a cousin and a loved one! The more trouble she gets, the more I feel like her brother. Reassure her that this is not who you are. There are a few spelling mistakes, but that means very little for someone to look at all the adversity & expect a testimony ending in Victory! Having said that, the only negative criticism that I offer (and I minimize it as much as possible) is that the book is a Two Parter Where the book ends is not the end of his story! That is: To be continued ... O Channon, where is your victory? O Channon where is your conclusion? I definitely searched for it (on Amazon) before writing this review. O sister, Bless me with a free Signed copy to make me wait!!!! But here's how the author goes ahead of the curve & ahead of time. I don't need to watch her YouTube channel to see that she is a great sales person! As I have accepted his character, and wish that story of Victory adversity ... it meant she did a great job of grabbing the reader's attention. This book is similar to Charles Dicken's A Christmas Story when readers are allowed to travel with Ghost of Channon's Past to see these important events, in vibrant detail, between as well as behind the lines!
