Requiem for a dream piano music

Requiem for a dream is a shocking, yet beautiful movie from 2000. Apart from black and brilliant plot, the film became famous for its soundtrack, which adjusts for good and the atmosphere. The movie's theme is a written composition for a string quarter but you can play it on a piano and it will still transfer the same emotions. A # A G# A G# A D A # A G# A G # A # G # G # A # G - 4 times a G # A - 5 times G A # A G# a #A# A G A G A # A D A # And our letter notes you will be able to learn this composition in less than an hour even if you are a beginner piano player! Just play the scores in effect tutorial and mimic the rhythm from the composition. It's actually that simple! If you want to learn to play similar compositions on a piano, be sure to check out Star Wars and Hallelujah tutorials.
