Here's Khloe Kardashian, leaving LA with a Chanel Graffiti Backpack and Kim and Kourtney heading back. This bag was chanel's spring 2014 catwalk accessory, and we're not surprised that one of the Kardashians already has it in its clutches. (Mama Kris Jenner was one of the few specials who managed to harvest a Chanel Hula Hoop Flap Bag during her incredibly limited run after the Spring 2013 show last year.) The price of \$3,400 - \$3,800 on chanel's new backpacks has drawn a lot of attention, mainly because they're just straight canvas backpacks embellished with multicolored strings. You can learn more about this bag on chanel's website. What do you think of Chanel backpacks? Does their DIY intentionally seem a bit Can Chanel really demand \$3,800 for an incredibly standard screen backpack that just received a little love logo? Love? Comparison: Very similar styles are available in a plethora of mall stores for about \$20-\$80. The totals of the Kardashians are to pay this kind of money for canvas, or are we all by giving a brand like chanel carte blanche to sell us what is essentially the idea of a handbag, built with the least minimal construction possible? 1/4 2/4 3/4/4 Chanel Beige Canvas Graffiti Backpack What Goes Around Is not an authorized dealer or affiliated with any of the brands we sell.
