As principal of the i-P, it is an honour to send you this introductory letter because we come to open up a long journey of another year that promises to reflect the success of the student center and our rich tradition of attraction. As a family first community, we are ready to keep our community in the coming learning class on the way while at the same time keeping the entire student body on the way by our future efforts. We believe that sincere student welfare is the foundation for academic success. Therefore, the purpose of our school focuses on identifying students' social and emotional needs positively and then communicating in appropriate education strategies, reviews and our practices. By creating these meaningful and sustainable relationships we assess a more dynamic experience for all students. It is my pleasure to announce new administrative additions to the i. Ms. Angoni has converted Mr. Nathalou into a deputy principal. He will be straight into charge of the ninth and eleventh grades. Ms. Angaoni is a student center teacher who comes with us as a teacher, coach and consultant with a highly successful background. We all welcome him to the Spartan nation because they are passionate about starting working with families and p students. Technology wise, we continue to upgrade our capacity as a 1:1 Chromebook High School. Immediately start, all staff members in P (and District) will only use Gmail accounts. As a reminder, each staff member's email is their last name @paramusschools their first initial plus. Organizational lying is in accordance with our login to our Chromebooks and Google Platform for Education. Our year starts on Thursday, September 5. There will be an extended administrative homeroom for distributing The Chromebooks (9th grade only-please be advised that in order for students to get their Chromebooks, they must sign the update-p technology agreement. This form is available by startup), distribute relevant information, and start connecting with students. You have also received an email with instructions on how to access the student schedule. Students will need to know their homehome They arrive on September 5. We will release students. Schedule during the administrative home As a district, we continue to go green. Therefore, we will continue to organize our important information through the Birth Parents Portal, E-mail, and our District Website. If you have not created a birth account, we ask that you sign up at your initial convenience. If you have an account, please update your information to Birth ASAP. Please note that as a district we are able to stop using the Hinevel system for communication. In the alternative, we Messenger.In in addition to school, I would also be happy to announce the official Paramos High School application mask! As well as providing us with one-click access to information and news, the app will link us all in faster and more efficient ways. Keep watching, there are more details to follow both the school's messenger and application! I continue to believe as adults in this community, we should try to build this bridge between school and family every year. Together, we have to recognize our position as the ultimate role model for our sons and daughters. As a community, we should celebrate their success and we will redirect them with dignity when necessary. As a father and principal, I understand the challenge that when we try to promote freedom then when we maintain our children's decisions and behaviour monitoring. Please stay connected with the experts in the IPs, we are all lawyers for the student's success and well-being. In cooperation, we can achieve anything! Our back school night is Wednesday, September 18 at 7:00 pm I wait to see you again. Enjoy the rest of the summer-school first day is around the right- the-go! Please take a moment to read your message completely for important information about The Cromebooks, Student Schedule, Backup School Night, and other information you dont want to miss. Sincere, welcome to the theater elementary school, where we encourage our students and staff to always be kind to the essentials. As a community, we teach our children in a foster and positive environment. Thank you for visiting our website for knowing more about our school. A message from our Pronkapaldiar Theatre families, during this time of year, theatre students are gaining the training and much needed expertise. As students grow, teachers track this development and share its information with parents to set a separate time for parent teacher conferences. Conferences are a great opportunity as an opportunity to learn about your child's life and your student's educational personalities. This year, so over any other year, there is a real partnership between home and school to ensure continuity of education. With a hybrid model, it is the work of essential parents and teachers To meet the needs of each child. When children are home, they need adult help in their lives. Although we want to be a reservoir of freedom, we recognize that learning at home needs adult assistance. Every parent should be aware of the routines and expectations for the days of the house. Print daily schedule and order timer There are two tricks to make sure that your child is taking part in learning for home learning days. Parent Teacher Conferences are an important opportunity to promote student development and build strong home/school relationships. I look forward to another successful era. Your child's teacher will get a mutually easy time for parent teacher conferences by phone or zoom. On a completely separate note, please let the school know if your child needs to quarantine for such trips, or outdoor activity for exhibition salinity due to reasons out of the school domain. Thus, we can create an educational plan to ensure continuity of education services. Maintenance, Susan Barbagaza N. At the end of May 2007, this record is a story in which paramos officials of public schools were not notified about the presence of the invalid kitchens Andren, Diedran and Chalordani on the West Brook Middle School campus in the system. Local anger, inspector, Janika in response to the money, assured the public in a letter addressing that chemicals are not dangerous, however, the mayor of the city, Jim Tedesco, stated that the damas either misinformation or deliberately misleading. Due to public pressure, on June 6, 2007, the County Board of Education abandoned janika money by an extension and closed the Western High School river for disinfection and testing. June 13, the results of the test at the Baro contract firm revealed that two of the 30 experienced areas on campus, this substance level exceeded the state safety standards. After the event, additional analysis of soil steam taking into the area and other parts of Paramos, there are some additional positives for the maximum presence of The Keytanash. The western river was opened to The Dekontmanatid and students, while Janika has resigned from the money superintendent's post. In May 2018, teachers and students at East Brook Middle School were killed and dozens of students were injured when their school bus is broadsaded by a truck on Antarasistate 80 during a trip to Waterloo village. The 77-year-old driver who suspended his driving licence 14 times before the crash was charged with murder, which could be punishable with a ten-year sentence. Day after accident, Kong, Josh Gotthimer has pushed for a federal law that needs school buses to be seat belts to prevent death in such accidents. 2017.
