FURNITURE The John Richard Collection of furniture, lighting and home accessories represents a standard of excellence in design in the home fashion industry. Buy Quality John Richard Furniture at EuroLuxHome The artisan-made, beautiful collections of high-end luxury furniture are inspired by cultures and design trends to create the perfect blend between groundbreaking design and positive customer experience. John-Richard creates furniture with flair, including tables, chairs, buffets, sideboards, cabinets, coffins of drawers, desks, etageres, screens and panels. From accent furniture to case goods, the John Richard Collection has it all. John-Richard, founded in 1980, has become a leading name in high-end luxury furniture among furniture lovers. The powerful style statements and wealth of these show-stopping pieces feel timeless, but also many of the moment—it’s the perfect amalgamation of classic and modern products. For example, black and gold furniture from the Legend collection combines beauty with nice styling and clean lines. These black and gold pieces are stunning for an Art Deco, Hollywood Regency or contemporary interior design scheme. They are a good fit for either a male or a female space. John Richard furniture features a unique design and unexpected details, perfect for your luxury home furniture. If you want to improve your dining room, John-Richard has a beautiful array of dining chairs. If you want to add light to the room, our lighting by John-Richard Find will recommend dazzling John-Richard ceiling fittings to improve any décor style, include nice chandeliers and pendants, hand-forged wall sconces, bold table lamps and floor lamps. This brand also has candle holders to add to a fine dining experience. If you want lighting that serves a dual purpose, they also have a wide range of ceiling fans available. John Richard Art Collection Eye-catching decorative pieces add great elegance and detail to your space, including statues, wall mirrors, vases, planters, chandeliers, bowls and boxes. The John Richard art collection is also known for incredibly realistic botanicals, sculptures and quality artist-painted canvas wall art and giclee prints. One Word describes John-Richard. Quality. The company prides itself on combining sleek design with better craftsmanship and showroom quality. The John-Richard furniture designers are being awarded for their unique design aesthetic which makes a high-impact statement in your living room, dining, hallway, office or bedroom. The creativity continues with the artists and artisans crafting and completing the pieces and paying attention to detail. Where is John Richard located? Although John Richard usually draws on global inspirations, his headquarters and artisans are based here in the United States. What materials Richard furniture used? Unusual veneers, natural agates, painted glass, and other exotic materials are the foundation of John-Richard collection furniture. These distinctive furniture feature crystal accents such as chunky quartets, amethyst, and geodes. It also features more classic home design materials such as marble, copper, and leather upholstery. Finishes are equally fine, from alm aloes and egломise reverse glass painting to beautiful wood carving and veneer and pieces with a hand-ate steel finish. Whether you’re in the market for unique lighting or standard, functional furniture, John Richard is a good go-to brand. If you want to improve your home dwithe with this brand, we need to choose a lot on our website! Whether you’re in the market for nightstands, wall décor, bookcases or dining tables, it’s a good brand to appear in your home décor. With so many new items, this brand always has something to keep us interested in. John-Richard Collection Sort Dedicated, personal and professional service... Carina and the team always offer a dedicated, personal and professional service. I know when we are designing our projects, we have a partner that we can rely on, where we can source the world’s most beautiful accessories. Lauren C, Stoke, UK The perfect piece that brought the whole scheme together... My client asked me to get a big coffee table for the family room. The leather two toe table with stud detail was the perfect piece that brought the whole scheme together. Stephanie M, Liverpool, British Communications was fantastic!... Excellent! Absolutely love my carpet, it looks amazing and is such good quality. It arrived immediately and communication was fantastic! Thank you Luxdeco I will definitely buy from you again! Julie M, London, UK
