## Wedding dress with cape attached

Our editors freely research, test and recommend the best products; You can learn more about our review process here. We may receive commissions on purchases made from our chosen links. Photo by SARAH FALUGO You Heard It Here First: Bridal Capes Are Modern Options For Wedding Veil . From alo vera embellished styles to elegant floor-length silhouettes, bridal caps share stylish and romantic qualities similar to a veil and complement any style of wedding dress. Whether you're looking to make a serious fashion statement on your wedding day or you're seeking out a bridal cape for added coverage, we've rounded up the best bridal capes ranging from ultra glamour to ethereal. A bridal cape is an accessory that can be worn on a wedding dress. Bridal caps come in many styles from floor-length to cropped caplets. For brides looking to stop the play, you'll love details like allover embellishments, bold colors and exaggerated lengths. If a minimal vibe is on offer in both your speed, sheer silk, and tulle options full length silhouette and cropped caplets. And for the classic bride, there are scores of crisp dresses and elegant lace-framed caps to complement any ordinary wedding dress silhouette. Whether you're married in winter or summer or saying I have a black tie or backyard wedding, we've rounded up the best bridal capes for every bridal style, season, and wedding dress silhouette. Courtesy of The Afternoon on the Moon it's simplicity on the stunning raw edge tulle veil it's finest. Soft and gauzy, it's the perfect touch for brides wanting an alternative to a floor length veil. If you're going for an old-y vibe on your big day, consider this pretty lace caplet complete with a high neck and soft ribbon tie. It's just the smallest hint of lace you've been searching for. Courtesy of Matchsfashion If you're choosing to wear a cape, you're probably looking to add a little drama to your wedding day look. Make the entrance to this long and diaphanous lace-trim cape. Courtesy of Davy and Chiyο minimalist brides who want to keep it modern and fussy, they will love the clean silhouette of this spontaneous cape. A simple style will always blend seamlessly with a sleek wedding dress. If you're wearing a simple dress like a clean strapless number or satin slip, take your look to the next level with an embellished cape. This shimmering cape boasts sweet ruffles and sparkling sequins. Courtesy of Matchsfashion for Fashion Forward Bride, this exquisite Erdem Cape is a no-brainer. Wear yours on a simple biodata wedding dress or sleek jumpsuit. Courtesy of the Thelotusbloomco plan to say I at City Hall? Consider pairing this cape with a bridal suit for an impressibly chic and memorable wedding day look. Wildest dreams throwing an astronomical themed wedding courtesy of bridal bride, we know Out there! And this star-laced cape is for you! Each star is shaped differently and embellished with transparent sequins for a subtle glow. Courtesy of all about romance for brides who don't want to cover their shoulders or their attire, consider this cape that binds on the shoulders. It acts more like a train than a cape and the best part is that it's different — perfect for hitting that dancelloor! Courtesy of thelotusbloomco you can never go wrong with a versatile raw edge tulle cape. This dreamy style can easily be worn with a simple slip dress or an embellished ballgown. Courtesy of David's Bride for Brides who love a traditional look, opt for a lace trimmed kellel. It's just the right amount of detail to add to your dress, not deny it. Keep stuff simple and classic. If this cape wants you to run with a beach-tulle floating in the air, you've got your perfect match. A little details like a keyhole that returns ties to the neck, make this style more sweet. Courtesy of Monique Lhuiller if you are worried about any added bulk when it comes to a bridal cape, fear not! This Swiss dot tulle boasts a slim fit across the cape shoulders and gathered pleating to keep it in place. We're also loving how the crystal embellished neckline looks like a piece of sparkling jewelry. Courtesy of David's Bride this Cape is fit for royalty and is the perfect complement to a princess ballgown. Glide down the aisle in tulle embellished with the most beautiful 3D flowers. Courtesy of Alexandra Grecco if you're luring that old Hollywood glare and glam look, you need to get yourself a beaded feather cape. The speed of the wings and the brightness of the beads will make your aisle feel like a red carpet. Courtesy of Davy and Chiyο there's something just to be said about really pretty lace and with this style cape, you have the option of choosing as four very different but equally gorgeous laces. Courtesy of the bride-to-be separates the perfect combination of pearls and lace dot and line this flirty capet making it the perfect addition to a simple wedding dress. Summer or destination wedding bound brides can also wear capes! Especially if they're made of easy, breezy sheer lace like this gorgeous style from Migueлина. Courtesy of La Voile Rose we love how this colorful cape looks as if the flowers are really growing on tulle. The details of the flowers are kept light on top to allow the look at the back of the dress. If you're looking for a more seamless bridal cape that doesn't tie either front or back, opt for this circular slip-on style caplet. Courtesy of DavieandChiyο these strategically placed shimmering pearls are sure to catch light at just the right time to make up for the most stunning wedding photos. We love all of the sweet details on this floor length cape. Scattered pearls for the ethereal off-white tulle. This style is for a bride who is truly romantic by heart. Thinking of wearing a cape on your wedding day? We've answered three common questions the bride asks when shopping for a bridal cape. What is a Bridal Cape? A bridal cape is worn over a wedding dress and can either tightness on the front or back, on the shoulders, or slip on your head. Bridal caps come in many lengths from floor-length to cropped caplets. What is a Bridal Cuplet? A bridal capelet is a cropped version of a cape that covers your shoulders and usually hits the top of your elbows. Can I wear a bridal cape and a veil? This is your wedding and shows you your personal style which should also feel free to wear the best, however, if you are planning to wear a floor-length cape with a cathedral length veil you can run the risk of two competitive styles that are lost as your whole. Blush and birdcages pair well with curtain floor-length capes while cropped caplets are more suited for long-length veils. Just like the traditional white wedding dress isn't for every bride, not all women dream of wearing a wedding veil. But that doesn't mean brides might not have some drama with their wedding day look thanks to bridal capes. Not only do Cape Veils offer the same benefits of a traditional veil: visual interest, extra coverage, and an optional train, but they're a simple way to kick your bridal style up a notch. From ethereal and whimsical bead to boho-chic and modern tulle, we rounded up some of our favorite wedding caps you can shop for right now. The miniature CapesBring dazzled some of your wedding day by accenting a simple bridal gown statement cape. Sweeping gold and pearl embellishments down the neckline get an old-modern feel.
