The Maryland Census Data Comparison Tool Thomas Johnson Middle School is a public school located in Lanham, MD. It has 1,227 students in grades 6-8 with a student-teacher ratio of 16 to 1. According to state test scores, 11% of students are at least skilled in math and 30% in reading. Proficiency Percentage - ReadingThis is the percentage of students who scored at or above skill levels on the status/language arts reading/assessment test. Because states implement these tests differently, be careful when comparing this data to data from another state. Percent Proficient - MathThis is the percentage of students who scored at skill levels or higher in the state's math assessment test. Because states implement these tests differently, be careful when comparing this data to data from another state. View Homes Near Thomas Johnson Middle SchoolBased on racial and economic diversity and responses to the survey on school culture and diversity of students and parents. We don't have enough answers to know if students and parents agree that students at this school are competitive. Do our surveyWe have enough answers to know if students and parents agree that the students of this school are creative and artistic. Do our survey We don't have enough answers to know if students and parents agree that the students at this school are athletic. Participate in our SurveyStudent-Teacher RatioStudent-Teacher Ratio may not be indicative of class size. It is calculated using the number of full-time equivalent students and teachers. Average teacher's salarySame average for all teachers in the district. Teachers in the first/second yearWe have enough answers to know if students and parents agree that teachers give engaging lessons. Do our surveyWe have enough answers to know if students and parents agree that teachers really care about students. Do our surveyWe have enough answers to know if students and parents agree that teachers drive and properly control the classroom. Do our survey
