NaturalMotionGames Ltd Android 2.3.3 + Version: \$1.32.2 0 Clumsy Ninja (Mod, Unlimited Money) – Super Fun Arcade game that banishes your boredom at all and laughs intimately. At your disposal will be The Little Ninja Apprentice who and you have to train. At first he was very clumsy, but he understood his training and developed his skills and made him a true strong ninja. Play with them in different mini-games, and earn coins for which you can buy a lot of different things and objects that interact with it. Beautiful and realistic graphics will win every player, and a simple, intuitive control won't make you accustomed to it. Updated to version 1.32.2! When it comes to ninja games with themed, we may know some games like Ninja School or Shadow Fight. After playing Clumsy Ninja Mod APK, I can confirm that this is the best ninja game I have ever played. This is a virtual pet game like Outfit7's I'm Talking Tom, but your virtual beast is not a dog or cat, but a cute and somewhat cym ninja boy number. In clumsy ninja, you will be the master of a cute ninja boy. You are responsible for caring, training the boy to become an elite ninja. how to? do not worry. The game has a list of things to do to train the ninja. In fact, I don't know if I'll call the ninja training game or torture ninjas. The game has a lot of ways for you to waste the ninja man. Although I have played for two weeks, I have not yet discovered all this man's misguiding. The physical interaction of the game is great, I even think it's better than tom talking me. You can tickle ninja boy, hit or throw him into the air. After completing a training exercise, you will get some high-level experience points and open new training courses. If you complete the tutorial perfectly, the ninja will raise his hand to the Top Five sign with you. He banged his hand with him and you see how happy he is. Easy game control is simple. All you have to do is touch or drag and drop to interact with ninjas. Let's create fun moments with clumsy ninjas. If you have fun ways to interact with ninjas, share that with your friends via associated social networks Game. When you log in to Facebook or Twitter, you'll have a chance to take gold and diamonds. The game by missionThere has over 70 cases that can interact with ninja boys including trampolines, sandbags, hills, balls, watermelons or chickens. You can even buy spring cushions so he can practice jumping and acrobatics. In the introduction, the game refers to the search for Kira's missing best friend, but that adventure has not yet begun in the game. Clumsy Ninja is a game that you play according to mission, as one of the completion of training courses due to day-to-day difficulty. Some training courses are free, while some of you need to unlock in gold or diamonds. Custom Ninja Addition, you can buy clothes, hats, glasses.... With many different styles and colors to decorate ninja boy. There are many surprises waiting for you at Clumsy Ninja.Realistic graphicsThe cuteness of ninjas in this action game attracts a large number of players. Ninja in Clumsy Ninja is a very cute guy with big heads and big eyes. The game features beautiful 3D graphics alongside impressive and realistic physical interaction.
