Cancel gamestop order preparing for shipment

This article is talking about canceling the order that you put up with Gamestop. The company's order cancellation policy is described. The restrictions it places on your ability to cancel an order are discussed, including what types of orders are not eligible for refunds. Detailed instructions for cancelling the order are also provided. If you put an order with Gamestop incorrectly, or if your terms changed after placing the order, then you may be able to cancel your order. You can cancel your Gamestop order only if your status is covered by the Gamestop Order Cancellation Policy. Gamestop's order cancellation policy you cannot cancel any order for digital content such as digital games and other software. If you are trying to cancel an order for a physical product then you must do it within 14 days of placing the order, or before the order is shipped, whichever comes first. If you cancel the order before billing your card, there will be no need for a refund. Shipping fees may be deducted from your refund amount, if you cancel the order after your card is billed. It should take more than two weeks for Gamestop to respond to your request and send you a refund. If your refund has been approved, you will get your refund through the same payment method you used to purchase the product. Refunds may be delayed if Gamestop has received your product order. Cancel your order to go to the Gamestop website. Click the Account button in the top right corner. Sign in to your account. You go to your dashboard. Find the order you want to cancel in your previous commands list, pick that order . Click the Cancel Order button. If there is no order cancellation button it means that the order has already been shipped, and it is too late to cancel it. You'll be given any more notifications. If you need help with the order cancellation process then you can try contacting Gamestop's customer service. They have three phone numbers, two help forums, and a Facebook page. After thousands of GameStop customers came to GetHuman in search of answers to this problem (and many others), we decided it was time to publish the instructions. So we put together how do I cancel my purchase with Gamestop? to try to help. It takes steps to take according to other users, including time spent working through each step and contacting GameStop if necessary. Best luck and please let us know if you have successfully resolved your issue with tips from this page. Why Is GetHuman Writing How to Help For GameStop Problems? GetHuman has been working for more than 10 years on sources of information about large organizations like GameStop in order to help customers resolve customer service issues faster. We started with contact information and the fastest way to reach a human being in large companies. Especially the ones with a slow or sophisticated IVR or phone menu Or companies that serve self-help forums instead of the customer service sector. From there we found that consumers still need more accurate help solving the most common problems, so we expanded into this set of guides that grow every day. And if you spot any issues with us how do I cancel my purchase with Gamestop? Help, please let us know by sending feedback. We want it to be as useful as possible. If you appreciate this guide, please share it with your favorite people. Our free information and tools are fed by you, the customer. The more people use it, the better it gets.
