The career fitness program 11th edition

NOTE: Before you buy, check with your instructor to make sure you select the right ISBN. Several versions of Pearson's MyLab products exist for each title, and the recordings are not transferable. To register and use Pearson's MyLab products, you may also need a course ID, which your instructor will provide. Used books, rentals and purchases made outside Pearson If you purchase or lease from companies other than Pearson, Access codes for Pearson's MyLab products may not be included, may be incorrect or previously exchanged. Check with the seller before you complete your purchase. This book is designed to help learners choose, change or confirm their career choices. The Career Fitness Program is firmly focused on the work realities and economy of today, with sufficient breadth to encourage change and growth for learners of all ages, backgrounds and circumstances. Friendly, easy to read and suitable for all learners, it provides three handfults of teaching and learning careers - choice, change and confirmation - that help students find their careers suitable. For career choice, the book follows the standard sequence of career search and decision-making questions - Personal Assessment, the World of Work and Job Search. For career change, it offers critical questions that go beyond facts and figures to help learners focus on What's in it for me? especially when developing careers. For career confirmation, it provides guidance, understanding, and assurance, showing learners how university qualifications are transferable to the world of work. Also available with MyStudentSuccessLab™ This title is also available with MyStudentSuccessLab, an online homework, tutorial and evaluation program designed to work with this text to engage students and improve results. In its structured environment, students practice what they learn, test their understanding and pursue a plan that helps them better absorb course materials and understand difficult concepts. NOTE: You buy a stand-alone product; MyStudentSuccessLab is not packaged with this content.
