Yes, a lot of people love this one. There may still be some Indonesians who know the brand name for this one. Understandably, although it has been a long time present on the world market, this franchise is fairly new to the Indonesian market. His name is Burger King. Although it has a middle name burger, but that doesn't mean that this fast food restaurant just provides burgers, but also a variety of other fast food.there are many Western menus that you can enjoy here, as is the case with salads and desserts. For the price of the Burger King menu, of course, it is priced at a very affordable price. Now, present in the midst of modernizing indonesians who have a busy life, making fast food served to be one of the most preferred komoditi of entrepreneurs from abroad who try their luck in Indonesia by opening different types of fast food restaurants. In the same way as Burger King, although in its native Us, this restaurant is a franchise restaurant that serves different types of burgers but changed and decided to add to its food menu, and Indonesian staples made from rice or rice made Burger King add rice menu with fried chicken to its flagship menu. Although it's still new burger king menu prices are pretty cheap, such as Fried Chicken in fast food restaurants is known for its savory flavor and even its flavors that can seep into the chicken. So that The Fried Chicken produced by Burger King is no less delicious than the fast food franchise restaurants that were first present in Indonesia.Read Also :McD DeliveryPromo Menu Price JCO Doughnuts In addition to heavy food menus such as Fried Chicken and Burgers, Burger King also provides snacks for friends chatting with friends or colleagues, various small meals are available here such as french fries, sweet pastries for ice cream and even other milk or coffee drinks. Menu Price The Latest King Not only that, one of the factors that most gets Burger King is always crowded in the visit of visitors is the price problem, yes Burger King always has a price promo that is very interested in its true customers, well the first is the promo price that applies to burger products, and we have managed to summarize some burger promo prices given by Burger King this month.
