Crossed hockey sticks svg

sold as is and used only as a graphical feature to create a new design/layout/template that differs significantly from the original design. With the Individual License, you can sell up to 200 copies and up to 5,000 with a Project Extended. With the Pro and Merch subscription, up to 200. And with extended subscription, you can sell up to 5,000 copies per design. Logo use: Can be used to create a logo as part of it. You can also copyright your logo using this graphic, but this will not prevent anyone from using the image in other projects. It would only protect your exact logo design. Editorial use: You can use the graphic in books, magazines, newspapers, etc. Software usage: You can use image/graphic in desktop or online software, mobile applications, etc. Educational use: You can use this image/graphic for educational purposes. Video usage: Image/graphic can be used for video productions, Youtube videos, Television, etc. For massive use of the open TV an Extended license is required. This list is not exhaustive and is only intended to help as a reference.
