build a \$20 million factory in Hatch Hill to convert waste into diesel fuel by using technology developed by a Texas-based waste-to-energy company. News Tags: AUGUSTA - that garbage bag will leave you curbside or to landfill Hatch Hill today could finally power your diesel pickup truck in the future.

Bill Tears Down the old Burger King restaurant Tuesday afternoon on West Street, between Airport Road and Armory Avenue in Augusta. The front sign reads I'll see you soon. The new Burger King is scheduled to open in a few months on the site. It will have a new image. Paul Lenovich, director of construction at Carols, owner of Augusta Burger King, said at a July scheduling board meeting. It will be a little smaller, more energy efficient and more geared to drive through. News Tags: Chelsea - Residents may join an regional effort to increase recycling and extend the life of the Hatch Hill landfill. Landfills in the area run by the city of Augusta are estimated to have only 15 years of capacity left. We're looking for garbage buried in long-term Hatch Hill, says Bill Najpaur of Courses Planning Associates. (Hatch Hill) could have been turned into a transmission station. The cost will go up for each of those two scenarios, he said. So the less waste we produce, the lower it will help keep costs down. News Tags: AUGUSTA - Residents of nine community

currently built in eight communitys that send waste to Hatch Hill, the Kennebeck Regional Recycling Committee enumerated several steps that would increase recycling in the area. Committee representative Judy Dorsey of Gardiner said recycling rates in the region are much lower than the government average and need to increase.
