Choose your song and buy various items and monkeys from the right side of the store. The prices of the goods vary according to the difficulties identified at the beginning. Upgrade your merchandise or sell them back to buy new things throughout the game. Like Bloons Tower Defense Games? Check out other great tower defense games on our Tower Defense Games page! Bloons Tower Defense Tips & Tricks Bloons spawn bloons. At first you will see only red balloons. They only take one hit to pop. As you did above, you start to see different colors and faster balloons come down the track. These balloons will take more than one hit pop – and as you hit them, they'll spawn more balloons! Hitting the blue balloon will spawn red, green balloon spawns blue, yellow will spawn green and so on. It is best to improve your defensive line in the face of these major Watch out for rainbow balloons! They are the hardest to pop. Upgrading to money. Each tower or monkey will have some innovations you can tack on as you play. Use upgrades to help increase your tower and increase their value. You'll be able to sell them down the line for more money and buy more powerful defenses. Pins, glue, and pineapples. These items are best saved if you're ever shocked by balloons. These tools last only one layer, so once you've popped all the balloons, they'll be missing. It's a good idea to use these to take out the balloons your towers may have missed once the round has begun. Tuned. What's best for one song may not work best on others. Try to plan different tower combinations and settings as you take on different playing fields. What you learn from playing Bloons Tower Defense The main theme of the game is to buy and sell items to create an impenetrable defense. Players need to manage their gaming features and determine which purchases are most effective. This game also helps to improve players' ability to plan and think strategically by creating defensive towers. Towers.
