That's fine, but I'd pay more for a new one. What do you got? 0 out of 0 people found the following helpful professional equipment quality review May 12, 2018 Reviewer: Gary Esolen from New Orleans, Los Angeles United States This is a great product at a fairer price with reasonable delivery time. My only complaint is that you predicted the shipment in a shorter time and couldn't get through, which was annoying. But I'm happy with the purchase.
