A tax credit, which is a dollar reduction for a dollar of your tax liability, is better than a tax deduction, which only reduces your taxable income before taxes are calculated. Instead of sending all your state taxes to the state of Arizona, you can donate to a public school. A.R.S. §43-1089.01 allows taxpayers a tax credit up to \$200.00 for an individual or head of household tax filings and up to \$400.00 for a married couple filing a joint return when contributing to extra-school activities in public schools. It gives you the opportunity to help your local school. The tax credit is available to all taxpayers, whether they have children in school. It is recommended that you consult with your tax advisor about your specific tax status. What is out-of-school activity? Out-of-school activity means any optional activity, without school-sponsored educational or competitive credit, has been added to the school's education program. Activities such as sports, visual arts and performing arts, HGH, outdoor education or character education programs can be funded with tax credit money. Outdoor activities do not include events for leisure, amusement or tourism activities. Where's the money going? You can choose which school and which program it has in 2018. The amount of the tax credit you take does not have to be for the total allowance. You can make a difference in our schools with just \$50.00, \$75.00, or \$100.00. In addition, credit can be split between one or more schools and/or programs. How do I take advantage of the tax credit? Update complete the attached form and return to the school of your choice by April 15, 2020 or send mail to the district office before April 15, 2020 to lower it from Arizona state taxes while applying for 2019. Arizona tax credit donation form create online payment by going to this easy link! The district will provide you with a verifying receipt that you contributed to out-of-school activities. For more information contact Wendy Taylor at the District Office, 623-535-6000. When you provide a check as payment, you approve Litchfield Elementary School (LES) use information from your check to perform a one-time electronic fund transfer from your account or to process your payment as a Quick Link Check TransactionVolunteering Foundation Foundation
