A tax credit, which is the dollar-to-dollar reduction of your tax liability, is better than a tax deduction, which only reduces your taxable income before taxes are calculated. Instead of sending all your state taxes to Arizona State, you can contribute to a public school. A.R.S. §43-1089.01 allows taxpayers a tax credit of up to \$200.00 for single or head of household tax depositors and up to \$400.00 for married couple filing a joint refund when contributing to

extracurricular activities in public schools. This gives you the opportunity to help your local school. The tax credit is available to all taxpayers, regardless of whether they have children at school. It would be advisable to consult your tax advisor about your specific tax status. What is extracurricular activity? Extracurricular activity means any optional, non-credit educational or competitive activity funded by the school that complements the school's educational program. Activities such as sports, visual and performing arts, excursions, outdoor education or character training programs can be funded with tax credit money. Extracurricular activities do not include events that are recreational, recreational or tourist activities. WHERE'S THE MONEY GOING? You can choose which school and program you want to support. The amount of tax credit you get doesn't have to be for the total allowance. You can make a difference in our schools with just \$50.00, \$75.00, or \$100.00. In addition, the credit can be shared between one or more schools and/or one or more programs. HOW DO I TAKE ADVANTAGE OF THE TAX CREDIT? UPDATE Fill out the attached form and return to the school of your choice by April 15, 2020 or mail to the District Office before April 15, 2020, in order to remove it from Arizona State taxes at the time you file for 2019. Arizona Tax Credit Donation Form Create an Online by going to this link It's easy! The District will provide you with proof that you have contributed to an eligible extracurricular activity. For more information contact Wendy Taylor at the District Office, 623-535-6000. When you provide a check as payment, you authorize Letchfield Ditchfield Elementary School (LESD) either to use information from your check to make a one-time electronic transfer of funds from your account or to edit the payment as a quick linksvolunteering control transactionExearth Foundation FlagView HistoryThis page contains a list of cheats, codes, Easter eggs, tips and other secrets for Godfather II for Xbox 360.
