The programme is managed and managed by about 20 community volunteers. Summer Paul Wei Basketball Program Recording Program Basketball Form System Basketball Discipline Program Goals Basketball Ascending Basketball Is Fun, Competitive, and Young people are a sports experience. We are focused on the full development of both our players and our fans. Along with teaching and training basketball skills, we take some time to teach positive life skills and teach about the love of Jesus Christ for all. Participation does not dominate family time, as we have one-hour practices and one-hour matches each week during the 8-week season. Play time for k-4 row is divided evenly: everyone plays and there are modified rules to ensure learning and fun come along with the competition. Fifth grade and seniors is more like traditional school competition. Spectator behavior is limited to positive interaction and encouragement. It's fun for everyone! In December during the steering meeting, there is an evaluation session, to allow fair teams. Standard sizes will also be determined at the evaluation session. Our league is open to boys and girls, from k5-12th grade. Registration usually starts in August, practices start in December, and the games start in January and last for 8 weeks. The cost is \$70.00 for the first player in a family. Additional siblings are \$56.00 per person. Partial grants are available through the New Promise Church. The cost includes a jersey game or a cheerleader outfit. For more information:
