Alexa Bliss is undoubtedly one of WWE's most popular stars and has millions of fans around the world who have taken an interest in her personal life. It's no secret that Bliss is currently dating pop singer Ryan Cabrera, and it's also no great secret that the once-current WWE Raw star Buddy Murphy.A fan on Twitter recently asked Alexa Bliss about her relationship with Buddy Murphy, and noted that even if they're no longer together they're still on good terms when they posted the following: 'Buddy & I split back in early ish 2018.' We share animals and we are friends :)# [redacted]Buddy & I split back in early ish 2018. We share animals and are friends :)# [redacted] Lexi Kaufman (@AlexaBliss_WWE) June 25, 2020Alexa Bliss seems to be happy with Ryan Cabrera as she has been taking to Twitter to brag about her man. However, at least one fan doesn't seem to approve of their relationship, as a Twitter user recently threatened to murder Ryan. You can get more about it here. The romantic plot between Rey Mysterio's 19-year-old daughter Aalyah Mysterio and 32-year-old WWE star Raw Murphy continued, as seen in this week's episode. It certainly garnered a lot of attention from fans whether they liked it or not. Alexa Bliss also offered her opinion on the whole case, suggesting that she may not be unhappy with the situation. There is a great reason for this. WWE has built up many couples over the years and they may be trying to build one more as the latest relationship blossoms on Raw Aalyah Mysterio and Murphy. Alexa Bliss, Murphy's ex-girlfriend, couldn't help but look at the corner. She had to react to that. Goddess WWE tweeted out: 'Honestly I don't blame him lol It's definitely good to have ex support.' This bliss tweet received mixed reactions as she later tweeted herself: 'Getting attacked for writing about the show y'all are watching like this.' She indirectly reflected the thoughts of some people who apparently are not okay with Aalyah Mysterio and Murphy's new love angle. It is said that a huge gap is a big reason, while they do not support this idea. It should be noted that Alexa Bliss and Murphy canceled their engagement in 2018. Now she's happy to be with Ryan Cabrera now. As seen on Raw, WWE continued the story line, in which the Mysterio Family argues with Murphy and Seth Rollins. Rollins answered Murphy's phone, which he left behind the scenes. Moving on, WWE Hall of Famer Jerry Lawler hosted a king's court segment with Rey, his wife Angie, daughter Aalyah Mysterio and son Dominic Mysterio. Seth Rollins interrupted this segment from the big screen when he taunted his family before revealing a text conversation between Murphy and Aalyah Mysterio as on a large throne. Murphy: Hey. Murphy: I wanted to apologize again... Aalyah: Thank you. Murphy: I hope you're doing well ... Aalyah: I'm fine. It was just a lot. Murphy: I understand, but if you want to talk about it, I'm here. Aalyah: I could just take you with this offer... btw Happy Birthday! Murphy later took part in a match against Murphy, who lost due to his sister's interference. After the game, the angle saw Dominic attacking Murphy with a kendo stick until Aalyah Mysterio stepped in and begged him to stop. After arguing for a while, Dominic told how his father was right when he said Aalyah was naive. She ended up punching Dominic in the face and then ran into the backstage. Current WWE stars have a diving nap in their relationships with other roster members, given their tough schedules. The two biggest star pairs in the lineup are Charlotte Flair-Andrade and Becky Lynch-Seth Rollins. Alexa Bliss was also on the list with Buddy Murphy, which may not be the case, as recent reports have received. Sasha Banks' husband spoke to her wife Alexa Bliss as he began dating Buddy Murphy from her NXT days. She acted as his manager and helped bring him and Wesley Blake to become NXT Tag Team Champions. The success story of the young stars suddenly stopped after Little Miss Bliss appeared in the main lineup in 2016. Buddy continued nxt for a few days before moving on to 205 Live. WWE News: WWE Star Alexa Bliss breaks with boyfriend Buddy Murphy These two have never been open about their relationship in the past. They don't even use it to appear together in public or doing PDA sessions on social media, either. So it's hard to understand what their relationship has been with lately. But there are many reasons why sources believe their romance is over. Alexa Bliss Boyfriend Buddy Murphy. During the WWE Superstar Shake-Up, Alexa Bliss stayed on RAW while Buddy got a call-up to the SmackDown Live brand. It really hasn't changed their careers to a large extent since Buddy has already traveled with the blue brand for being on 205 Live. Alexa sent him a tweet congratulating him for coming to the main lineup, which was really cold. There was no question of any sympathy. What's more, the former women's champion stopped mentioning her ex-boyfriend in posts on Larry Steve's Instagram account. Plus, in the final episode of Not Your Demographic, Erin and Stella said that Alexa Bliss and Buddy Murphy called it quits. They broke up and are only friends, but have not announced the news publicly. As mentioned earlier, Alexa Bliss has always remained private about their relationship. Only once did they face the Total Divas camera and discuss the issue of decay. As an Australian, you may encounter visa problems and therefore will be up for grabs. We are still not sure if this is the only reason for their disintegration. Alexa Bliss and Buddy Murphy are no longer a couple. There was a time when they were engaged in marriage, but in recent weeks they knew they had broken off their relationship. The reasons have not been explained, but it may be the time they spend separately because they are on different brands. Many times they commented that this was not a problem, but it may eventually be. It's pure speculation, but the fact that wrestler and wrestler are now single. More sources represent the separation of Alexa Bliss and Buddy Murphy, but when did it happen? You'd think not so long ago. And even rumors that a future marriage is recent. However, they separated a few months ago, so this is nothing new for them or their closest people. Ryan Satin recently spoke with one of them. Regarding rumors about Alexa Bliss and Buddy Murphy calling for their engagement – a source close to Bliss confirms that & Murphy has ended their relationship & have been living apart since September '18. FWIW, I was told Bliss is still a big murphy fan both as a wrestler and a person. — Ryan Satin (@ryansatin) May 7, 2019 As for rumors that Alexa Bliss and Buddy Muprhy have cancelled their engagement, a source close to Bliss confirms that she and Murphy have ended their relationship and have been living separately since September 18. For what is used, I was told that Bliss is still a big fan of Murphy as a warrior and as a person. Everything indicates that they both broke up on good terms, thinking that maybe it was the best for both of us. This does not mean that they have not lived hard for months, or even that they do not live them to this day. But from what is said, it seems that this was a break-up agreed by both sides. All you have to do is wish them all the best. As for her future in lace-up, Bliss will have a great chance on May 19 at Money in the Bank. Meanwhile, it's unclear what Murphy's next step will be now, that he's on the blue mark. [adace-ad id=7795] The couple were later taken off the show and Bliss has not shared any photos on her Instagram with Murphy in the past few months, who raised a few eyebrows, especially since the couple were not seen together at the Hall of Fame induction ceremony the day before Murphy lost the Cruiserweight Championship to Tony Nese at WrestleMania 35.Ryan Satin of the Pro Wrestling Sheet seemingly confirmed what has been rumored over the past few months that the couple have decided to cancel their engagement and go their separate ways.
