Does everything to kill his boss! Whack Your Boss with Superpowers (aka Don't Shake Your Boss with Super Power or Whack Your Boss Superhero) is a game in the Whack Your series, and the third is Box10. In this, you have 13 ways to beat your boss, and all the murders are references to pop culture. Characters Edit Man - Una versi'n adultery del Nino de salmon juegos whack Your de Box10 (que son don't hit your teacher y kick thief). Tiene muchos superpoderes ocultos en su oficina y debe us para matar a su mama - El objetivo del golpe en este juego. Kills Edit Note: The format of the kill listing for this page is: . The item used for killing (What to Kill is a reference to) - Summary to kill claws (X-Men) - A man grabs a pair of Wolverine claws off the shelf and uses them to slice his boss into pieces, which after he does, the boss falls to pieces. He leaves the office thinking about pizza. (Note: It's like a sword kill in Whack Your Computer.) AllSpark Cube (Transformers) - A man grabs a cube and throws it into the center of the room, where his office peripherals then turn into robots and shoot at the boss, one of them then firing missiles at the boss, killing him. They then join in a car and the man leaves in it. Headband (Naruto) - A man grabs a bandage from an easel and puts it on, and uses the ability of jutsu clones to make many clones himself. The clones then attack the boss and then they all gang up on the boss and then they disappear and the man also leaves the office through the disappearance. Lightsaber (Star Wars) - Man Grabs sword off the shelf, which he then uses force to strangle his boss and then uses cut your boss in half. He's coming out through the disappearance. Musk (Mortal Kombat) - A man puts on a mask and tells his boss to come to him, which he then uses a sub-zero ice attack to freeze the boss and then the boss's uppercut to pieces. He's leaving the office normally. Points (X-Men) - A man grabs Cyclops glasses off a shelf and shoots a laser beam into the boss's torso and hands, and then he blows up the boss's head. The man comes out, shooting a laser at the wall and leaving. Cape (Superman) - A man grabs a cloak from a dummy and then puts it on and then grabs the boss and flies him into space, then he flies the boss back to the ground and then destroys the entire office building, killing the boss as well. The man then flies away. (It's murder only on Box10.com) Kamehameha (Dragon Ball) - A man grabs a 1-star dragon ball off the table and becomes Super Saiyan, which he then uses Kamehameha Goku to blow the boss into another part of the ground. He's teleporting. Flute (Godzilla) - A man grabs a flute from a table and plays the flute, forcing Godzilla to come to the office, grab the boss and eat him. Godzilla then picks up the man and forces him to ride Godzilla. (It's murder only on Box10.com) Mjolnir (Thor) - A man grabs Mjolnir from a shelf above his door and hits the boss's head with a blow, his head exploding after being hit with a hammer. Then the man comes out thundering. (It's a murder only on Box10.com) Web (Spider-Man) - Man grabs spider-man's glove and uses the web's ability to throw his boss around the office, eventually killing the boss. A man goes out using a web swing. Gloves (Hulk) Man grabs two giant hand gloves from the table, then Hulk Smashes the table and grabs and shakes the boss by the leg. He walks away, talking PUNY BOSS and comes out through smashing the roof. Trivia Edit Like the other 2 Whack Your Box10 games, it's also Scott Joplin's Entertainer constantly playing in the background. Community content is available under CC-BY-SA unless otherwise stated.
