About this game continent of the ninth seal (C9) is the action of MORPG. Players take part in the game as Glenheim heroes stand up against Nefer, a bad villain trying to open a gate to the underworld and swarm the country with his hellish legion. C9 showcases quality visuals, strategic warfare, and an engaging story. Select the character that best represents how you want to experience the game. Four basic classes - Fighter, Hunter, Shaman, and Witchblade - can each upgrade to more advanced classes, all of which are unique in their skills, visuals and game styles. Console-like controls, various skill combos, and RPG-based elements make C9 a satisfying choice for all fans of action games. Key features: Unmatched action RPGContinent Ninth Seal is a completely unique action MORPG experience. With its non-targeting combat, you no longer have to suffer with locking on one enemy! C9 gives you the freedom to lay waste on any foolish enemy enough to get within reach of your sweeping weapons. This unique system won the C9 five awards, including the Grand Game Award Korea in 2009.Various Skill CombosEnjoy complete freedom to combine skills and commands with cancellations and leaks to create an almost unlimited number of combos. Chain your attacks together and see how much damage you can do in one frenzy of attacks! Hack through every enemy that gets in your way! Precision controlsC9 are equipped with precise customizable controls with mouse and keyboard or gamepad. Unlike other RPGs, the way you control your character determines whether you survive or not! No more pushing the same four buttons over and over again in a boring rotation. Your hands will never be at rest during a fight. With enough skill and practice, you can learn how to juggle and control your enemies with such precision that they never have a chance to fight back! PvPPlayer versus player is a key element of C9. Players can use combos that have perfected in different PvP modes. Timing, and chain combos together perfectly to secure your victory! Ultimate Fury SkillsUltimate Fury Skills are the strongest skills a player can learn. These skills boast the highest damage with very impressive visual effects. Each advanced class has its own, unique ultimate fury skill. Diverse ContentC9 allows you to improve items, build guild housing, craft items, and remake equipment; very popular features for players online RPG. The game is also equipped with a unique Legend system to display your achievements in the game to other players and express the personality of your character. The game is very event oriented, not unlike the popular free MMORPG Vindictus. C9 was launched with three classes - warrior, hunter and shaman - which were later joined by Witchblade. Choose your favorite class and preferred fighting style to enter the adventure in a massive world consisting of more than 2000 quests spread across five continents. The fight on the continent's ninth seal uses a non-targeting mechanic that allows for more exciting and accurate control. It's not an easy matter of spam buttons over and over again; This hack and slash combat system requires learning combos to defeat enemies. Cancels and avoids will keep players guessing about the outcome of fights, and counters will have devastating effects. C9 supports crafting and guilds, as well as a legend system that allows players to earn titles for active participation in a certain region of the game. The continent's ninth SEAL, also known as C9, is a free-to-play event by MMORPG with stunning graphics and amazing combos. Designed by the same manufacturer Black Desert Online, C9 uses a non-target action system to provide a skill-based exciting combat that is sure to delight players who have become tired of the usual tab-goal combat.
