AUSTRALIA BUYS FRANCE BUYS ITALY BUYS JAPAN BUYS POLAND BUY PORTUGAL BUY SPAIN BUY THAI BUY C. S. Pacat is an Australian author best known for the captive prince trio, published by Penguin Random House in 2015. [2] Pacat was born in Melbourne, Australia, and was educated at the University of Melbourne. [3] She lived in several different cities including Perugia, where she studied at the University of Perugia and Tokyo, where she lived for five years. [2] Pacat wrote the trio imprisoned around his daily work as a translator while training as a geosyntheist. [1] Pacat is queer and genderqueer, using both her/her and him/him/him She identifies as a proud wog,[6] and says that this plays an influence while writing the imprisoned Prince trio: For affecting Captive Prince, I am a bisexual wog, and Damen is a bisexual wog – so there is that. There is a lot of wog-politics in the series, although it is rarely read from that perspective outside of Australia. Literary career Pacat Captive Prince's first novel began as an online series of original slash novels on LiveJournal, where it attracted viral attention. [3] Self-published in February 2013, Captive Prince was later acquired by Penguin Random House and commercially published in April 2015 in various territories. [1] A Prince's Gambit follow-up was released in July 2015, and the final novel in the Kings Rising trio was released in February 2016. [2] In 2017, she revealed that she was working on a new comic book series Fence, about the world of bidding. [11] The series has been expanded to include a series of novels by Sarah Rees Brennan[12] and was nominated for the GLAAD Award in 2019. [13] In 2019, she announced a new trio, DARK RISE, a series of YA fantasy novels to be released in 2021. Bibliography Captive Prince trilogy Captive Prince (April 7, 2015) Prince's Gambit (July 7, 2015) Kings Rising (February 2, 2016) The fantasy series revolves around a romance between two princes of rival nations. Damianos killed Laurent's beloved brother in battle when he was a child, but he later found himself sent to Laurent's country to be his slave a few years later, as a result of his brother's conspiracy to be crowned. Captive Prince Short Story The Training of Erasmus (published only in the print edition of Captive Prince) Green but for one season (September 20, 2016) The Summer Palace (January 5, 2017) The Adventures of Charls, The Veretian Cloth Merchant (May 3, 2017) Pet (January 6, 2018)[14] The Summer Palace and Other Stories: A Captive Prince Short Story Collection (October 20, 2018) (Includes four short stories, with the exception of The Training of Erasmus) Captive Prince bonus material An extension of Prince's Gambit's chapter 19, chapter 19.5, available only in the U.S. paperback edition. Https://en.wikipedia.org/w/index.php?title=C._S._Pacat&oldid=985156717 a perfect series. An instant classic. This is fantasy and romance at its absolute best. Related: 2016 Favorites | 6-Star | Fantastical Adventures Damen is a warrior hero for his people, and the right heir to the throne of Akielos, but when his half-brother takes power, Damen is captured, his identity, and sent to serve the prince of an enemy nation as a pleasure slave. Beautiful, manipulative and deadly, his new master Prince Laurent is the role model for the worst of the court in Vere. But in veretian court's lethal political website, nothing is it seems, and when Damen finds himself caught up in a play for the throne, he must work alongside Laurent to survive and save his country. For Damen, there is only one rule: never, never reveal his true identity. Because a damen man needs to be a man who has more reasons to hate him than anyone else. . . . My review It's been years since a series has affected me as much as the Captive Prince trio of PACAT PACAT. With her eloquent words and her brilliant plot, two of the most beautiful characters I've ever read come alive amidst endless turmoil. This is a story about two princes against odds who can't find their way together. The two enemies, opponents, will be the kings who open their hearts up to a singly kind of love. Damen and Laurent couldn't be more different on the outside, but at their core, each carries a deep sense of loyalty and emotion with each quiet moment shining on the page. Their pain, their honesty, their longing for each other is visceral. We see their story loosened and unraveled even as it twists open with unexpected surprises. War, betrayal and an important need to reclaim the throne embrace the romance between this tense enemy. Because oh, the tension!!! He was aware of a diffuse but growing tension, a feeling almost like he was waiting... waiting for something, not sure what it is. It's like being alone in an anthill with a snake: the snake can relax, you can't. In a place where their lives are constantly in danger, for a time where secrecy holds power, there is nothing ever at it that seems- so Damen and Laurent not only have to try to be honest, but they must trust that their judgments of each other hold true. But of course, nothing is as it seems. If he wants to imagine it, it's a single event, the great ingocytcs, an unmasking that, whatever follows, will end. Relentless action and intrigue along with a burning desire to see Damen and Laurent's relationship evolve, driving this fast-paced story forward. Every moment is moment on my heart and I assure you, that once you read it, you will feel the pain of the crescive hole that remains immediately after you turn the last page. I think if I gave you my heart, you would treat it tenderly. These books are just everything... deep and intimate, exciting and suspenseful, brutal and sad, frantically hot and epically romantic. I loved to the brilliance of CS Pacat and couldn't wait to read his short story, which will be out later this year. I tried to convey my feelings for this book on video. I failed- you'll see below!
