Thanks for respecting the hard work of this author Synopsis Emily Parker has a busy life over which she keeps the iron-clad control. Raised by drug-addicted parents, she is used to caring for the people around her, to the exclusion of her own needs. But not tonight. After years of celibacy, he's ready to pay exactly what he wants: to give up control by being taken away from him. Having worked as a high-priced escort for years, Nat Swayne not only enjoys her job-she is damn good at it. Dangerously sexy, she knows exactly to fulfill the fantasies of women who enjoy her special mark of doing-believe-all without ever becoming emotionally involved. When their intense night play turns into something more, Emily and Nat can't help but pursue a connection in the real world. Unfortunately, old habits die hard, and love is not always enough.
