

Motorola sl 7550 manual

We offer complete parts and accessories for most of the following models: Motorola Maxtrac, CM200, CM300, PM400, GM300, M1225, R1225, R100, Maratrac, CDM750, CDM1550 CDM1550LS, SM50, GP300, GP350, P110, P1225, PR1500, HT50, GTX portable, HT1000, MTS2000, MTX8000, MTX8250, JT1000, XTS2500, XTS3000, XTL2500, XTL5000, PR40 PR1500, P200, HT600, MT1000, Spectra, CP200, CP150, CT450, CT450, CT450, CT450, CT450, HT1250, HT1250, HT1250, HT1250, Pro Series EX500, EX600, EX600XLS, GP328, Saber, Saber Systems. Astro Saber. Visar. MSF5000, MCS2000, MCX1000, GM900, MC2100, MOTOTRBO XPR6300, XPR63500, APX 7000, APX 7500 and more!!! Page 2 We offer complete parts and accessories for many of the following models: Motorola Maxtrac, CM200, CM300, PM400, GM300, M1225, R1225, GR1225, R100, Maratrac, CDM750, CDM1250, CDM1550LS, SM50, GP300, GP350, P110, P1225, P100, PR1500, HT50, GTX portable, HT1000, MTS2000, MTX8250, JT1000, XTS2500, XTS5000, XTS3000, XTL2500 XTL5,000, PR400, PR1500, PR1500, HT50, GTX portable, HT1000, MTS2000, MTX8250, JT1000, XTS2500, XTS5000, XTS3000, XTL2500 XTL5,000, PR400, PR1500, PR1500, HT50, GTX portable, HT1000, MTS2000, MTX8250, JT1000, XTS2500, XTS5000, XTS3000, XTL2500 XTL5,000, PR400, PR1500, HT50, GTX portable, HT1000, MTS2000, MTX8250, JT1000, XTS2500, XTS5000, XTS3000, XTL2500 XTL5,000, PR400, PR1500, HT50, GTX portable, HT1000, MTS2000, MTX8250, JT1000, XTS2500, XTS5000, XTS3000, XTL2500 XTL5,000, PR400, PR1500, P200, HT600, MT1000, Spectra, CP200, CP150, CP185, CT150, CT250, CT450, CT450, CT450, GP68, HT750, HT1250, Pro Series EX500, EX600XLS, GP328, Saber, Saber Systems, Astro Saber, Visar, MSF5000, MCS2000, MCX1000, GM900, MC900, MC2100, MOTOTRBO XPR6300, XPR63500, XPR6550, APX 7000, APX 7500 and more!!! Page 3 We offer complete parts and accessories for most of the following models: Motorola Maxtrac, CM200, CM300, PM400, GM300, M1225, R1225, GR1225, R100, Maratrac, CDM750, CDM1250, SM50, GP300, GP350, P110, P1225, P1500, HT50, PORTABLE GTX, HT1000, MTS2000, MTX8000, MTX8250, JT1000, XTS5000, XTS5000, XTL5,000, PR400, PR1500, P200, HT600, MT1000, Spectra, CP200, CP150, CP185, CT150, CT250, CT450, LS, EP450, GP68, HT750, HT1250, HT1250, HT1250, P100, HT1550, Pro Series EX500, EX600, EX600XLS, GP328, Saber, Saber, Saber, Saber, Visar, MSF5000, MCS2000, MCX1000, GM900, MC2100, MOTOTRBO XPR6300, XPR63500, XPR6550, APX 7000, APX 7500 and more!!! Page 4 We offer complete parts and accessories for several of the following models: Motorola Maxtrac, CM200, CM300, PM400, GM300, M1225, R1225, GR1225, R100, Maratrac, CDM750, CDM1550LS, SM50, GP300, GP350, P110, P1225, P100, PR1500, HT50, GTX portable, HT1000, MTX8000, MTX8250, JT1000, XTS2500, XTS5000, XTS3000, XTL2500 XTL5,000, PR400, PR1500, P200, HT600, MT1000, Spectra, CP200, CP150, CT450, LS, EP450, GP68, HT750, HT1250, HT1250, Pro Series EX500, EX600, EX600XLS, GP328, Saber, Saber, Saber, Saber, Visar, MSF5000, Stresser, Saber, Sa MCS2000, MCX1000, GM900, MC900, MC2100, MOTOTRBO XPR6300, XPR63500, XPR63500, XPR6550, APX 7000, APX 7500 and more!!! Page 5 We accept: We offer complete and complete parts for most of the following models: Motorola Maxtrac, CM200, CM300, PM400, PM400, M1225, R1225, GR1225, R100, Maratrac, CDM750, CDM1250, CDM1550LS, SM50, GP300, GP350, P110, P1225, PR1500, HT50, GTX portable, HT1000, MTX8000, MTX8250, JT1000, XTS2500, XTS3000, XTL2500, XTL5000, PR400, PR1500, P200, HT600, MT1000, Spectra, CP200, CP150, CP185, CT150, CT250, CT450, CT450, CT450, GP68, HT750, HT1250, HT1250, Pro Series EX500, EX600XLS, GP328, Saber, System Saber, Visar, MSF5000, MCS2000, MCX1000, GM900, MC2100, MOTOTRBO XPR6300, XPR6350, XPR6550, APX 7000, APX 7500 and more!!! 2WayRadioParts.com Motorola programming cables, Kenwood programming cables, accessories, batteries, original Motorola parts, manuals, microphones, programming service and more! Book this site! 2WayRadioParts.com offers incredible customer service, excellent prices and FAST delivery of all Motorola parts and accessories (we ship the next day on all motorola parts in stock). Unlike some of our competitors who need an additional 7-10 business days before shipping due to a remote warehouse BEFORE shipping them to you. We are located in Wisconsin, point the next day for Motorola parts! Your order (for stock items) placed before 2:00 p.m. Central will be shipped the next business day! Antennas for Motorola APX2000 and APX4000: 1 NAR6595A ANTENNA 1/4 WAVE 7/800Mhz STUBBY compatible with GPS (An APX radio replacement antenna for users who prefer a short antenna for comfort.) This antenna attaches directly to the radio. ANT 1/4 WAVE 700Mhz / 800 Mhz STUBBY (This 700/800 single-band stubby antenna (764-870 MHz) for APX portable radios integrates GPS and is short and discreet when the radio is worn on the belt.) Unit of measurement: 1 EA 2. NAF5085A 7/800 GPS (764-870 MHz single-band whip antenna) This 700/800 MHz single-band antenna (764-870 MHz) for portable APX radios incorporates GPS and has an optimal length designed for higher gain to maximize range. Unit of measurement: 1 EA \$45.00 3. FAF5259A ASSY, ANTENNA, UHF R1 380-470, GPS 9.3CM 1/4 WAVE (UHF Range 1 (380-470 MHz) single-band stubby antenna for PORTABLE APX radios integrates GPS and is short and discreet when the radio is worn on the belt.) Example of the image below. Unit of measurement: 1 EA 4. FAF5260A ASSY, ANT, UHF R2 PLUS GPS STUBBY ANT (This UHF Range 2 (470-520 MHz) single-band stubby antenna for portable APX radios integrates GPS and is short and discreet when the radio is worn on the belt.) Example of the image below. Unit of measurement: 1 EA 6. PMAE4065A UHF Antenna (380-520) GPS Unit of Measure: 1 EA BATTERIES for Motorola APX2000 and APX4000 laptops: 4. NNTN7392A ASSY, KIT, IMPRES DATA BATTERY READER Unit of 1 EA \$238.00 NNTN7392A NNTN7392 - Motorola IMPRES Battery Reader Kit -- Motorola Motorola IMPRES battery data drive kit with USB cable. Provides USERS of the IMPRES battery with the ability to access key charging, reconditioning and usage data. By keeping the batteries in peak condition, the talk time and cycle life are optimized, reducing battery replacement. Use the backs of Motorola's IMPRES technology by downloading key usage data from your IMPRES batteries. Installs quickly and easily. Simply attach the drive to a PC via the USB port. No additional power is required. Get the status of your IMPRES battery: the current, initial and rated capacity gives a view of the battery's ability to maintain a charge. The date of battery production and first use. Total load cycles. Total recondition cycles. Total estimated non-IMPRES charge cycles. The recommendation box helps to quickly identify actions. Histograms help identify the appropriate battery capacity. Easily export data to Excel. Reader Package Battery (NNTN7392): IMPRES battery drive, USB cable, HT Professional Series, MOTOTRBO, APX adapter inserts. CD system software. PC/Radio not included \$238.00 Chargers for Motorola APX2000 and APX4000 series laptops: 1. WPLN4232A - PMPN4174 Provides adaptive, automatic reconditioning for IMPRES batteries to maximize conversation time and cycle life. Advanced charging algorithm keeps batteries cooler so they can be kept in the charger for long periods of time. Display models provide real-time information on the status of fees. 110 ACC 50/60 HZ US IMPRES SUC Measurement Unit: 1 EA 2. WPLN4212A (No Displays) provides adaptive and automatic reconditioning of IMPRES batteries to maximize conversation time and cycle life. Advanced charging algorithm keeps batteries cooler so they can be kept in the charger for long periods of time. Display models provide real-time information on the status of fees. - IMPRES MUC ANNULATION - US/NA PLUG Unit of Measure: 1 EA 4. WPLN4219A provides adaptive and automatic reconditioning of IMPRES batteries to maximize conversation time and cycle life. Advanced charging algorithm keeps batteries cooler so they can be kept in the charger for long periods of time. Display models provide real-time information on the status of fees. ANNULATION IMPRES MUC W/DISPLAY - US/NA PLUG Unit of Measure: 1 EA 10. NNTN7616A CHARGER IMPRESS VEHICLE EXT NA/EU KIT Unit of Measure: 1 EA 11. NNTN7677A FLEET MANAGEMENT CHARGER INTERFACE (CIU) attaches to an IMPRES multi-unit charger to enable data transfer to IMPRES Fleet Management. This CIU is required for all IMPRES multi-unit chargers that report data to IMPRES Fleet Management. TWO-unit IMPRES chargers and IMPRES battery data drives do not require the CIU to interface with IMPRES Fleet Management. (Multi-unit charger sold separately) Unit of measurement: 1 EA 12. RLN6433A - New Part ' MOTOTRBO / APX4000 TRAVEL CHARGER - Its small compact design allows the radio to be used when charging guickly in the base of the charger. The unit includes a voltage-set vehicle charger adapter, a custom charger base, mounting support and a coil cord and plugs directly into the vehicle cigarette lighter adapter. Unit of measurement: 1 EA 13. RLN5382B (Replaces RLN5382A) These modules are designed to be modernized with standard impresTM WPLN4108BR multi-unit charger. Up to six modules can be purchased per charger, one for each loading pocket. Includes detailed installation instructions. Note: The version number is referenced on the label at the bottom of the printTM multi-unit charger. If no version is displayed, it's version 1.2 or earlier. For example, version 1.3 will appear as V1.30. IMPRES CHARGER (CDM) - Individual IMPRES display module that is used with IMPRES multi-unit chargers that don't have a screen. This display displays critical battery information, including: current charge state, mAh battery, voltage, battery kit number, serial number and chemistry. Measuring Unit: 1 EA Carrying Solutions for Motorola APX2000 APX4000 Laptops: 3. PMLN6085A APX2000/4000 SWIVEL LEATHER CARRY CASE (2.5-inch swivel belt buckle) - This hard leather transport case with 2.5-inch swivel belt buckle is designed for use with apX 4000 radio. The model's swivel cases attach to a belt buckle and allow the case to swing freely from side to side. The swivel latch system also allows the radio and case to be removed from the belt buckle by simply reversing the case and lifting it from the belt buckle. Unit of Measurement: 1 EA programming cables for Motorola APX portable series: 4. NNTN7526A APX FPP HW KEY (DONGLE) Measurement unit: 1 EA Microphones remote speaker and audio accessories for Motorola APX2000, APX7000, APX7000, APX7000, and APX7000XE portable series: 1. PMMN4069A - IMPRES Remote Speaker Microphone (IMPRES RSM, 3.5MM JACK, IP55) This large remote speaker microphone is easy to use, even while wearing gloves and features audio impres that optimize your audio when you're operating in noisy environments. Windporting is specially designed for windy outdoor environments and significantly reduces noise from howling winds and harsh weather conditions. Audio socket available to attach headphones for discreet communications. \$108.50 ea. 2. PMMN4062A - MICROPHONE remote speaker IMPRES (PLUS RSM NC IP54 3.5MM JACK RX) This Durable wide-range speaker is easy to use even when wearing GLOVEs and IMPRES audio features, which optimizes your audio when you're operating in noisy environments. Noise-cancelling acoustics cancel out background noise so that your yoice goes loud and clear when you speak directly into the microphone. Also has a programmable orange emergency button programmable audio socket to secure headphones for discreet communications. \$89.00 ea. 3. HMN4101A - Impres Remote Speaker Microphone (Motorola APX IMPRES Remote Speaker Mic NO DISPLAY W/ JACK, NO CHANNEL KNOB) The HMN4101 is a robust remote speaker microphone with volume control, two programmable buttons and an orange button. It is designed with a large speaker that delivers a clearer, more intelligible sound and up to 50% louder than the RSMs of the XTS series. Meets robust specifications for submersibility and includes a robust. submersible audio socket. \$225.00 ea. 4. PMMN4065A - Impres Submersible Remote Speaker Microphone (IMPRES RSM, IP57) This large, remote speaker microphone is easy to use even when wearing gloves and has an IMPRES sound that optimizes your audio when operating in noisy environments. Windporting is specially designed for windy outdoor environments and significantly reduces noise from howling winds and harsh weather conditions. Also features a volume switch, programmable orange emergency button and programmable button side.\$89.95 ea. 5. RLN6424 - Headphone to receive only (RX ONLY EARPIECE W/TRANSLUCENT TUBE) Mic Speaker Sold separately. This headset only receives APX remote speaker microphones that have a robust, submersible audio jack. \$89.95 ea. Surveillance Kits: 4. RLN5879A - New Part - PMLN6126A These compact units offer huge audio dynamics and leave hands free and face clear, so that the user retains the ability to direct hearing and talk. CORE SURVEILLANCE KIT 1 WIRE - BGE Measurement Unit: 1 EA 5. RLN5880A - New Part - PMLN6127A IMPRES 2 wire Surveillance - Black Features a streamlined and durable design, sturdy cables that withstand harsh working conditions. The two-wire kits have a wire to receive transmissions and a wire with a combined microphone and a talking pusher. IMPRES 2 WIRE SURVEILLANCE -BLK Measurement Unit: 1 EA 10. RLN5887A These compact units offer huge audio dynamics and leave hands free and face unobstruced, so that the user retains the ability to direct hearing and talk. SURVEILLANCE KIT OF HAUTE BRUIT Measurement unit: 1 EA 14, RLN6242A - Ouick Disconnect Acoustic Tube Replacement (each sold separately) \$7.90 ea. Ear Mirophone Solutions: Wireless Accessories: 5. NTN2575A 9.5 Replacement Wireless Ear for (NNTN8126) Operations Critical Earpiece EARPIECE W/9.5 CABLE Unit of Measure: 1 EA 6. RLN6554A - KIT ACCESSOIRE, APX WIRELESS RSM W/ DUC US/NA/JP/TW Motorola RLN6554 Wireless Remote Speaker Mic for APX Radios: RLN6554A APX1000, APX2000, APX4000, APX6000XE. AXP6000Li, AXP7000, APX7000XE Note: You must have a Bluetooth module installed and active. Mission Users can be ready in seconds without having to worry about wires getting in the way with the APX Wireless Remote Speaker Microphone (RSM). With increased security, fast matching and fast PTT capabilities, the wireless RSM helps you work safer, smarter and more comfortably in demanding environments. The RLN6554 RSM has large push-to-talk and emergency buttons embedded to ensure users have easy access to commands, but don't have to worry about accidental activation. Pairing is easy with a guick touch pairing with voice prompts that confirm matching actions. Includes a removable PMNN4461 end-user battery that allows multi-guarter use, and a PMLN6716 vehicular charger or two-unit DESKTOP charger PMLN7120 for more flexible with RLN4941 and AARLN4885 headphones. Additional features include volume control, audio, 360-degree rotatable clip, and a task light that lets you read items such as a driver's license in the dark. \$236.95 ea. PMNN4461A Replacement or spare battery for the RSM MIC STD LIION 1800T battery - \$53.00 ea. Spare parts AP2000 / APX4000 Front Kit Parts List: E-mail Us for Pricing and Availability. NOTE: †. Items cannot be ordered individually. They are included in the Assembly, Front-Kit - PMLN5907 (Model 2) and PMLN5903 (Model 3). See the model diagrams on pages xvii, xviii, xix or xx. 1. NNTN7392A ASSY, KIT, IMPRES BATTERY DATA READER Unit of Measure: 1 EA \$238.00 NNTN7392A NNTN7392 - Motorola Battery Reader Kit -- Motorola NNTN7392A IMPRES Battery Data Reader Reader USB cable. Provides USERS of the IMPRES battery with the ability to access key charging, reconditioning and usage data. By keeping the batteries in peak condition, the talk time and cycle life are optimized, reducing battery replacement. Use the backs of Motorola's IMPRES technology by downloading key usage data from your IMPRES batteries. Installs quickly and easily. Simply attach the drive to a PC via the USB port. No additional power is required. Get the status of your IMPRES battery: the current, initial and rated capacity gives a view of the battery's ability to maintain a charge. The date of battery production and first use. Total load cycles. Total estimated non-IMPRES charge cycles. The recommendation box helps to guickly identify actions. Histograms help identify the appropriate battery capacity. Easily export data to Excel. Reader Package Battery (NNTN7392): IMPRES battery drive, USB cable, HT Professional Series, MOTOTRBO, APX adapter inserts. CD system software. PC/Radio not included Chargers for Motorola APX6000 and APX7000 laptop series: 1. NNTN7065A IMPRES CHG MU APX US/NA/CA/LA - Rapid-rate, 6-unit charging system. Unit of measurement: 1 EA \$765.00 2. Remote speaker microphones 10. NNTN8203AYLW (Standard XE Cable) The XE RSM is Motorola's first accessory with two microphones that helps remove interfering background noise. It suppresses noise so effectively, you can be heard in some of the loudest environments on pump trucks, crowd noise and groaning sirens. A large speaker delivers a 50% louder and clearer sound than our existing XTS RSMs. Watch the video of the first rugged RSM for Fire Market XE Remote Speaker Microphone Brochure This high-visibility, yellow XE RSM has an asymmetrical shape to help you find the controls without looking, even while wearing bulky gloves. The XE RSM features a large push-to-talk button that are both easy to locate but protected so they won't be accidentally turned on while running, crawling or climbing. Easily accessible programmable buttons and a volume switch that goes up and down make the microphone intuitive to use even in the most demanding conditions. A large d ring and a sturdy clamp clip ensure your APX XE RSM stays attached to your plug-in equipment. The XE RSM features a strobe light that activates when the emergency button is pressed, throwing light up to 10 feet into the thick smoke. And if the RSM is sprayed with a hose or deposited in a water pool, you'll see what the robust specifications (IP68 submersibility) and a unique water-draining speaker design really mean. MICROPHONE HOT-PARLEUR AUDIO ACCESSOIRE-DISTANT, IMPRES XE RSM, JAUNE UNIT measurement; 1 EA 14, 30009402001 RSM REPLACEMENT CABLE (Standard Motorola XE replacement cable for green, black and vellow XE RSM's) 15, SRX REMOTE SPEAKER MIC (IP57) Motorola SRX 2200 Remote Speaker Mic - Sand -- NO AUDIO JACK \$99.00 ea, 16, SRX IMPRES REMOTE SPEAKER MIC - Motorola SRX 2200 Remote Speaker Mic v/Audio Jack - Sand \$99.00 ea, 17, PMMN4059B This public safety microphone is designed in an innovative way to give you clearer than ever. It delivers a clearer. easier-to-understand sound that's up to 50% louder than the XTS series' remote speaker microphones. Lla Lla significantly reduces background noise from high winds and other severe weather events. The antenna is sold separately. PSM IP55 WITH 3.5MM JACK RX 18IN Measurement Unit: 1 EA 18. PMMN4060B includes 3.5mm audio socket for discretion, volume switch for flexible use and 24 right cord assembly. This public safety microphone is innovatively designed to give you clearer communications than ever before. It delivers a clearer, easier-to-understand sound that's up to 50% louder than the XTS series' remote speaker microphones. The Windporting feature significantly reduces background noise from high winds and other extreme weather conditions. The antenna is sold separately. PSM IP55 WITH 3.5MM JACK RX 24IN Measurement Unit: 1 EA 19. PMMN4061B includes a 3.5mm audio socket for discretion, a volume switch for flexible use, and a 30 right cord assembly. This public safety microphone is innovatively designed to give you clearer communications than ever before. It delivers a clearer, easier-to-understand sound that's up to 50% louder than the XTS series' remote speaker microphones. The Windporting feature significantly reduces background noise from high winds and other extreme weather conditions. The antenna is sold separately. PSM IP55 WITH 3.5MM JACK RX 30IN Unit of Measurement: 1 EA Plus microphones Speaker - Click here! Helmets: 1. PMLN5101A Bone conduction allows you to receive audio without covering the ear, allowing you to either wear hearing protection in extreme sound environments or keep your ears open to external sounds such as outdoor traffic, fire alarms and machines. IMPRES TEMPLE TRANSDUCER Measuring Unit: 1 EA 2. PMLN5275B Designed for robust use in noisy environments where hearing protection is required. Headphones include a flexible noise-cancelling arrow. CASQUE LOURD PMLN5275B Unit of Measurement: 1 EA 3. LÉGERS RMN5058A headsets offer comfortable and extensive use of wear while providing great clarity and discreet communication in moderate noise environments. CORE L/W Measuring Helmet: 1 EA 4. RMN5116A This is a unique secondary audio accessory that works with APX RSMs (HMN4101, HMN4103 and HMN4104) and uses bone conduction to allow users to receive audio without covering the ears. It is the first secondary audio accessory to offer both receiving and transmitting capabilities. The microphone is integrated into the temple transducer, which eliminates the need for boom microphone and is beneficial for users wearing and any device/facial equipment. Users can operate in noisy environments, wear hearing protection while communicating effectively on their radio. Provides USERS of the IMPRES battery with the ability to access key charging, reconditioning and usage data. By keeping the batteries in peak condition, the talk time and cycle life are optimized, reducing battery replacement. Use the backs of Motorola's IMPRES technology by downloading key usage data from your IMPRES batteries. Installs quickly and easily. Simply attach the drive to a PC via the USB port. No additional power is required. Get the status of your IMPRES battery: the current, initial and rated capacity gives a view of the battery's ability to maintain a charge. The date of battery production and first use. Total load cycles. Total estimated non-IMPRES charge cycles. The recommendation box helps to quickly identify actions. Histograms help identify the appropriate battery capacity. Easily export data to Excel. Reader Package Battery (NNTN7392): IMPRES battery drive, USB cable, HT Professional Series, MOTOTRBO, APX adapter inserts. CD system software. PC/Radio not included Chargers for Motorola APX6000 and APX7000 laptop series: 1. NNTN7065A IMPRES CHG MU APX US/NA/CA/LA - Rapid-rate, 6-unit charging system. Unit of measurement: 1 EA 2. THIS ARTICLE IS INHERENTLY SURE THAT WITH THE FOLLOWING RADIOS: HT750, PRO5150, HT1250, PRO7150, HT1250-LS, HT1250programmable buttons and an orange button. It is designed with a large speaker that delivers a clearer, more intelligible sound and up to 50% louder than the RSMs of the XTS series. Meets robust specifications for submersibility and includes a robust, submersible audio socket. IMPRES RSM NO DISPLAY W JACK, No CANAL unit of measurement: 1 EA 4. HMN4103B The HMN4103 is a robust microphone with a screen, volume control, two programmable buttons and an orange emergency button. Its 8-character screen mimics the top view to display area and channel information at a glance. It is designed with a large speaker that delivers a sound that is clearer, more intelligible and up to 50% stronger than XTS-series RSMs. Meets robust specifications for submersibility and includes a robust, submersible Motorola audio take. IMPRES RSM WITH AFFICHAGE W JACK, NO CANAL unit of measurement: 1 EA 5. HMN4104B The HMN4104 is a robust microphone with a screen, a channel button, volume control, two programmable buttons and an orange emergency button. Its 8-character screen mimics the top view to display area and channel information at a glance. It is designed with a large speaker that delivers a sound that is clearer, more intelligible and up to 50% stronger than XTS-series RSMs. Meets robust, submersible Motorola audio take. IMPRES RSM WITH AFFICHAGE WITH JACK, WITH CANAL Measuring Unit: 1 EA 6. NMN6271A This remote speaker microphone with its fine design and optimized ergonomics is ideal for police officers and other public safety users. With dual mic noise removal, you will be heard despite the traffic noise and sirens in the When it gets dirty, just wash the head of the microphone to make sure your communication is not compromised. IMPRES XP RSM FOR APX W/ DUAL MIC NOISE SUPPRESSION Unit of Measure: 1 EA 7. NMN6274A This remote speaker microphone with its fine design and optimized ergonomics is ideal for police officers and other public safety users. With Dual Mic Noise Suppression, you'll be heard despite traffic noise and sirens in the background. When it gets dirty, just wash the head of the microphone to make sure your communication is not compromised. IMPRES XP RSM FOR APX W/ DOUBLE MIC NOISE SUPPRESSION, 3.5MM THREADED JACK Unit OF Measure: 1 EA 8. NNTN8203A (Standard XE Cable) The XE RSM is Motorola's first accessory with two microphones that helps remove interfering background noise. It suppresses noise so effectively, you can be heard in some of the loudest environments - on pump trucks, crowd noise and groaning sirens. A large speaker delivers a 50% louder and clearer sound than our existing XTS RSMs. Watch the video of the first robust RSM for fire market XE Remote Speaker Microphone Brochure This high-visibility, bright green XE RSM has an asymmetrical shape to help you find the controls without looking, even while wearing bulky gloves. The XE RSM features a large push-to-talk button and an extra-wide emergency button that are both easy to locate but protected so they won't be accidentally turned on while running, crawling or climbing. Easily accessible programmable buttons and a volume switch that goes up and down make the microphone intuitive to use even in the most demanding conditions. A large d ring and a sturdy clamp clip ensure your APX XE RSM stays attached to your plug-in equipment. The XE RSM features a strobe light that activates when the emergency button is pressed, throwing light up to 10 feet into the thick smoke. And if the RSM is sprayed with a hose or deposited in a water pool, you'll see what the robust specifications (IP68 submersibility) and a unique water-draining speaker design really mean. IMPRES XE RSM, UNIT VERTE measurement: 1 EA 9. NNTN8203ABLK (Standard XE Cable) The XE RSM is Motorola's first accessory with two microphones that helps remove interfering background noise. It suppresses noise so effectively, you can be heard in some of the loudest environments - on pump trucks, crowd noise and groaning sirens. A large speaker delivers a 50% louder and clearer sound than our existing XTS RSMs. Watch the video of the first robust RSM for Fire Market XE Remote Speaker This XE RSM has an asymmetrical shape to help you find the controls without looking, even while wearing bulky gloves. The XE RSM features a large push-to-talk button and an extra-wide emergency button that are both easy to but armored so that they did not leave accidentally during the race, crawl or climb. Easily accessible programmable buttons and a volume switch that goes up and down make the microphone intuitive to use even in the most demanding conditions. A large d ring and a sturdy clamp clip ensure your APX XE RSM stays attached to your plug-in equipment. The XE RSM features a strobe light that activates when the emergency button is pressed, throwing light up to 10 feet into the thick smoke. And if the RSM is sprayed with a hose or deposited in a water pool, you'll see what the robust specifications (IP68 submersibility) and a unique water-draining speaker design really mean. NNTN7392A ASSY, KIT, IMPRES BATTERY DATA READER Unit of Measure: 1 EA \$238.00 NNTN7392A NNTN7392 -Motorola IMPRES Battery Reader Kit -- Motorola NNTN7392A IMPRES Battery Data Kit Reader with USB cable. Provides USERS of the IMPRES battery with the ability to access key charging, reconditioning and usage data. By keeping the batteries in peak condition, the talk time and cycle life are optimized, reducing battery replacement. Use the backs of Motorola's IMPRES technology by downloading key usage data from your IMPRES batteries. Installs quickly and easily. Simply attach the drive to a PC via the USB port. No additional power is required. Get the status of your IMPRES battery: the current, initial and rated capacity gives a view of the battery's ability to maintain a charge. The date of battery production and first use. Total load cycles. Total estimated non-IMPRES charge cycles. The recommendation box helps to guickly identify actions. Histograms help identify the appropriate battery capacity. Easily export data to Excel. Reader Package Battery (NNTN7392): IMPRES battery drive, USB cable, HT Professional Series, MOTOTRBO, APX adapter inserts. CD system software. PC/Radio not included Spare parts: 1.
