Used rotel ... 30/04/2014 Excellent Doritos Chicken Caserola recipe! I used Rotel instead of salsa. My kids loved that! Thank! 07/08/2015 This is an excellent recipe, and I tweaked it a little to my tastes, of course. Added a little taco spices to the cooked chicken and a little to the mixture before cooking. Instead of using canned corn, I used a frozen bag (keep from having to drain maybe). Used Rotel as others suggested instead of salsa. Don't put Doritos on the bottom, but put them on top for the last 5 minutes of cooking (on top of the cheese when added), because it keeps Doritos nice and crispy. We all enjoyed this very much! 11/19/2015 That's how I do all the recipes, I read the reviews first. I've made some of the recommended changes and a few of mine. My grocery store pulled two of their cooked chickens while I bought it – a great time saver! I didn't use cream, but instead used almost a large box of cream chicken soup, no mushroom cream and instead used 1/2 of a large jar of Tostitos Medium Salsa con queso. And I used Ro-tel tomatoes, but the ones with lemon and cilantro and also added chopped Mexican cheese. Placed about 2 pounds of chicken in the bowl, sprinkled with chili powder and a spicy garlic/hot spice chili mixture, dried cilantro and then added all of the above. Lightly sprayed (with mystery olive oil) pan 13x9 and crushed nacho cheese Doritos. Filled with chicken mixture and baked at 350 for about 25 minutes. Removed, sprinkled more cheese and topped with extra doritos (slightly broken) and baked an extra 10 minutes. Served with a box of garlic chicken rice pilaf on which I added a small box of green chilis and also used hot chili olive oil for the required portion of oil. Everyone loved it - so glad I found the recipe. He'll definitely do it again. 01/02/2015 I did this exactly called the recipe. It was fine, but the only problem was Doritos on the bottom were very wet. I recommend adding Doritos on top a few minutes after it's made for a nice crunch. 12/23/2014 Left out the cream of mushrooms used white corn and added it when I mixed everything else. Very good and quite easy! 02/27/2016 OK, I usually make the recipe according to directions and this is the first time I did not follow the directions I did not use corn or mushroom soup however I used tomato rotel instead Salsa. I used 1/2 of a packet of taco spices. half a cup of milk and half a cup of cream instead of a cup of cream their recipe called because it sounds too creamy for my taste. The results were delicious my son is a picky eater he actually for seconds and this is unusual when I make a new dish, so I read this recipe a star of four, but I said that I did not do it according to their instructions 02/15/2016 It made a few changes added a box of some black beans and used the hot salsa to make extra spicy I also added cilantro used half a pack of taco seasoning for some flavor I also put Doritos on top was delicious. Great with a few slices of lime when you serve it. 1 of 55 Doritos® Chicken Cheese Caserola Melissa 2 of 55 Doritos® Chicken Cheese Caseola Amber Rose Brant McDonald 3 of 55 Doritos® Chicken Cheese Caserola Sara Jane Conkle 4 of 55 Doritos® Chicken Cheese Caserola Beth Colbert 5 of 55 Doritos® Chicken Cheese Caserola Jenni Leigh Petrie 6 of 55 Doritos® Chicken Cheese Caseola Cooking a party 7 of 55 Doritos® Chicken Cheese Caserola Christina M Bollinger 8 of 55 Doritos® Chicken Cheese Caseola Dian Long 9 of 55 Doritos® Chicken Cheese Caserola Susan Brennan 10 of 55 Doritos® Chicken Cheese Caserola Darryl Weldy 11 of 55 Doritos® Chicken Cheese Caseola Jessica Merrill 12 of 55 Doritos® Chicken Cheese Case Jill roll 13 of 55 Doritos® Chicken Cheese Caseola Patty 14 of 55 Doritos® Doritos Chicken Cheese Caserola Carrie 15 of 55 Doritos® Chicken Cheese Caseola Kareese B 16 of 55 Doritos® Chicken Cheese Caserolea ahop73 17 of 55 Doritos® Chicken cheese Caserole ACAngel8952 18 of 55 Doritos® Chicken cheese Caserole suszi 19 of 55 Doritos® Chicken cheese Caserole 2 Scoops 20 of 55 Doritos® Chicken cheese Caserola Misty S This Dorito caserola is loaded with chicken, cheese, and a whole bag of Nacho Cheese Doritos! Garbage food at its best, guys! Once upon a time, I met a man. A boy, indeed. He was 17. I spent most of my time trying to look nice to him in the hope that he would do that romantic thing where I do it in the movies, where a guy hugs you and then leans you back over his arm and kisses you? You're going to love how easy this dorito is! It was a waste of time, because I don't think he ever did the kissing thing. Jerk. Anyway, despite his non-romantic kisses, we got married. They were kids. They were comfortable pants. It was pie. I had to choose between looking nice and comfortable pants and pie. Comfortable trousers and pie won. Every time. One day, in our marriage, we moved into a new house. The bedroom in the new house was never dark enough for me. Especially because the husband would wake up in the middle of the night to use the bathroom and then forget to turn off the bathroom light. And, of course, leave the bathroom door open for the light to shine in the bedroom making me crazy and disturbing my sleep Beauty. I bet your whole family loves this Doritato chicken caserol! So I bought a sleep mask. Most ladies take great pains to look for their spouses. Some of them even wake up early, brush their teeth, apply a light layer of lip gloss, smooth their hair, and then sneak back into bed, so the husband assumes they are just always perfectlooking. I'm not one of those ladies. They're out of here. It's been 15 years, my husband knows I really look. So I bought a sleep mask to cover my eyes and keep the lights off. Not a pink one. Not a delicate one. I'm not trying to fool anyone. I bought a horrible zombie. See on Instagram I don't know I'm still married, guys. It's a mystery to me. My husband devours this Doritato chicken casero! If... could it have something to do with the fact that I crush Nacho Cheese Doritos and put them in a Doritaro casserole for dinner? That might have something to do with it. This cheap Chicken Dorito caserola is ridiculous. Ridiculous. I started doing this when we first got married. I was mostly a frozen pizza and hamburger help kind of cook, but something about adding chips to this dish made it juuuuuust enough trash for my cooking standards. It's probably sad that I haven't stopped doing this, but the thing is, it's delicious. I mean, of course it's delicious. It contains a bag of Doritos, some rotisserie chicken, cream chicken soup (but you can use my homemade cream soup substitute if you think the canned stuff is raw!), and an unholy amount of cheese. What's not to love?! Also, in case you don't hear from me anymore, probably because my husband woke up in the middle of the night, he saw me next to him and killed me reflexively. You can't even blame him. Let me know what you think about this Doritos caserola! I'm a caserol fanatic! Check out more below. This chicken noodle casserole is pure comfort food. Everyone raves over this sloppy Joe Tater all the caserola! Chicken Parmesan Meatball Caserola - much easier than regular chicken parm! This cheesy quinoa caserola is a healthy alternative to the usual caserola! Casserole!
