Rune factory tides of destiny bachelorettes

What she does is often falling down when walking or doing other physical activities. Bismark likes to be enthusiastic, which is why she often plays hooky from Bismark stores, often chastizes her for behavior, but seems to go in one ear and out the other. Maerwen's maid of the House De Sainte-Coquille appears quite cool outside, but stays with the family even though it falls into a difficult time, even though she is the housekeeper of the house, Electra ends up doing most of her work, which frustrates her. Therefore, she spends most of her time cultivating flowers, which she is very good at. She is an avid reader and often finds reading books in her spare time. Mikoto Warrior who defends the island She is currently disguised as a man so she can continue to train as a warrior. Very serious and not open minded personally much unless you know her well. Come to Fenith Island from her country in the east. Lily and Odette's youngest sister Violet works as a church nurse, very good at her job, but quite shy. While she was interested in Aidan, she stumbled upon her words and blushed when she talked to him. Elena's confident girl who works at a blacksmith. The experts who teach themselves about golems and kind of have a single track mind about them have created a golem to watch the shops while she is gone/sleep, is very interested in Ymir, Aden and Sonja's golem plants. Despite this, Electra is a very positive and upbeat person, and also enjoys cleaning the mansion de Sainte-Coquille, often annoying of their housekeeper Maerwen Pandora. However, she accidentally surrendered to stone 400 years ago and lost her power. A very proud curvy wizard, she often calls her underlings (Aden and Sonja) to help her make her bid and is disappointed that they are not as interested in world domination as she is.
