Actually, I am acutely aware of the recent attacks on Akimov however material on these people is very limited in the USA, most material is internet sources and most of those are nothing but attacks, there is little presentation of the other point of view. Stay Connected. I speak and write fluent German as well and have a degree from a prestigious university in economic history. Farrell examines how the Nazi survivors in South America are using advanced technology to create secret space programs to control the planet Earth. Skip to content. Anyway, thanks for all the responses! Genesis of the Cosmos: The Ancient Science of Continuous Creation Exposing the contradictions that bedevil the big bang theory, LaViolette offers both the specialist and the general reader a controversial and highly stimulating critique [...]. Morten Birk says: My point is, I was already pretty read up on the subjects covered outside of the energy aspect, and I got by perfectly easy, in fact reading the footnotes and excerpts from previous books got me even more interested to read those. Senator Joseph R. Muldashev theories, with the latter mentioning these torsion fields, and thus attacking all The Giza Death Star: The Paleophysics of the Great Pyramid and the Military Complex at Giza of that theory, Akimov among them. Nikolai Kozirev. April 12, at pm. Farrell on an exploration of the Tower of [...]. As the late G. The roots of coincidence and conspiracy in American politics, crime, and culture are examined in this first volume of a three-part set, exposing new [...]. I have been an amateur scholar of German history my whole life. Then Yahweh, because the scission of consciousness is critical in understanding the actions of the elites and their programs Then the Banksters, because this piece of the story informs the rise of directed scissional history and its backers and motivations. Recommended Works.

THE PYRAMID WEAPON HYPOTHESIS: A CONFIRMATION?

Thanks for your research. April 12, at pm. Then Yahweh, because the scission of consciousness is critical in understanding the actions of the elites and their programs Then the Banksters, because this piece of the story informs the rise of directed scissional history and its backers and motivations. Joseph P. Farrell on an exploration of the Tower of [...]. November 5, at pm. In this book the authors provide a simplified approach to a difficult subject, Transhumanism. Home of the Giza Community and Dr. The scientists and mathematicians in Nazi Germany that began the groundbreaking and revolutionary So you have to either acknowledge that [...]. Experienced readers in this subject can skip right to Chapter 13! In the News. My experience was I saw reference to Joseph Farrell in an amazon. All of my books are referenced and deliberately designed to tie into each other, and readers will quickly pick up on this when they read them, so one can read topically if one wishes. September 18, at pm. Unfortunately, for reasons that remain unclear, we soon found ourselves unable to contact the scientist again, and we were left with a tantalizing bit of information that we could not corroborate. Home of the Giza Community and Dr. Morten Birk says: Oxford-educated historian Farrell continues his best-selling book series on suppressed technology, Nazi survival and the postwar psyops with his new book Saucers, Swastikas and [...]. I got curious and was hooked after the first dozen or so pages and have read the rest as they came out. Moreover, we were told, the analysis indicated that the only way to understand the configuration of the chambers in the Great Pyramid was in acoustical terms: in other words, by the sophisticated manipulation of sound. In this sequel to Joseph P. Actually, I am acutely aware of the recent attacks on Akimov however material on these people is very limited in the USA, most material is internet sources and most of those are nothing but attacks, there is little presentation of the other point of view. Search for: In this latest book Joseph P Farrell examines the subject of mind control, but from a very unusual perspective, showing that its basic underlying [...]. In the end, its really one book and these are merely chapters. Joseph P. July 30, at pm. And speaking of books, I just received complimentary copies of *The Cosmic War* in its Polish language edition, and it looks great. November 5, at am. Although I have no technical background, I jumped in and devoured the books. For the weapons designer, that meant the Great Pyramid was, in all probability, a weapon - an extremely powerful one at that. Kenyon's anecdote seriously, and at his word. Offers a range of exotic technologies the Nazis researched, and challenges to the conventional views of the end of World War Two, the Roswell [...]. Anyway, thanks for all the responses! Then the *The Giza Death Star: The Paleophysics of the Great Pyramid and the Military Complex at Giza* series, especially *Destroyed*. About The Author Joseph P. As one of them said Faulkner I think most great artists are repetitive; but each time they repeat their deepest, primal concerns, they raise the ante and bump it up the food chain a notch or so. Farrell Book Synopses. One of the commentators here, *The Giza Death Star: The Paleophysics of the Great Pyramid and the Military Complex at Giza*. I speak and write fluent German as well and have a degree from a prestigious university in economic history. Farrell [...]. McCarthy is just about the last name one would expect to encounter in connection to UFOs, the Roswell Incident, above-top-secret black [...]. Farrell says: Some of us took the bait and gave NASA the sort of advice we thought they could use. July 29, at pm. And in Luie finally thought he *The Giza Death Star: The Paleophysics of the Great Pyramid and the Military Complex at Giza* invented a *The Giza* I ran across this anecdote in a book of essays recently edited and published by the editor and publisher of *Atlantis Rising* magazine, J. In actual fact, there are three ways one can read them, and it was in my mind when I started doing these sorts of books that anyone should be able to pick them up and read them in one of these three ways without detriment to the impact of the whole corpus of works.

ILJA says: April 12, at pm. Pursuing his investigations of WWII machinations, secret international agreements, breakaway civilizations and hidden wars in Antarctica, author and researcher Joseph P. Author : Joseph P. I kept that name in my mental files and idly looked it up one day on amazon. Then the Pyramid series, especially *Destroyed*. Using subquantum kinetics—the science behind antigravity technology—LaViolette reviews numerous field-propulsion devices and technologies that have thrust-to-power ratios thousands of times greater than that of [...]. I am glad I started with those 2 books. Oh, mistaken optimism and idealism! Thanks *The Giza Death Star: The Paleophysics of the Great Pyramid and the Military Complex at Giza* your research. Nikolai Kozirev. Consider the possibility that the history of the human race is not as simple as what has been taught in classroom textbooks. Farrell examines how the Nazi survivors in South America are using advanced technology to create secret

space programs to control the planet Earth. That such geometries would be involved in the analysis of the Great Pyramid I find to be no surprise then. This novel seamlessly weaves ancient mysteries with our contemporary myths of advanced technologies, international intrigue, and shamanic powers. Morten Birk says: It took him 22 years to write the book, and he never really finished it, and it ranks as one of the most important works in any language. Subquantum [...]. However, in my work I mostly address the work of Dr. In this book the authors provide a simplified approach to a difficult subject, Transhumanism. Physicist and Oxford educated historian Joseph P. Genesis of the Cosmos: The Ancient Science of Continuous Creation Exposing the contradictions that bedevil the big bang theory, LaViolette offers both the specialist and the general reader a controversial and highly stimulating critique [...]. Muldashev theories, with the latter mentioning these torsion fields, and thus attacking all proponents of that theory, Akimov among them. Farrell says: Farrell Physicist Joseph Farrell's amazing book on the Nor do I find it at all surprising that the scientist disappeared into the aether almost as soon as he had made his revelations, revelations that are but another indicator that someone, somewhere deep and high within government black projects takes very seriously the idea of a sophisticated and very ancient "paleophysics", and that it might find visible and tangible expression in the Great Pyramid. So you have to either acknowledge that [...]. The true implications are only now becoming clear. Kenyon's recent book, Forbidden History: Prehistoric Technologies, Extraterrestrial Intervention, and the Suppressed Origins of Civilization, contains this interesting tidbit of information prefaced to an article by Christopher Dunn, noted author of The Giza Powerplant: "In the summer of Atlantis Rising was contacted by a scientist involved in government research into nonlethal acoustical weapons. Paul A. July 27, at am. Consider the [...]. This can be done, as each book is also designed to be able to stand on its own even though viewed as part of a larger whole. Should be out by late winter or early spring. ... Offers a range of exotic technologies the Nazis researched, and challenges to the conventional views of the end of World War Two, the Roswell [...]. Then the International, which takes us into the modern era, and the LBJ book last, for America has become unrooted from itself since that event. July 20, at pm. Recapitulates the function of the 10, year-old Giza military complex and recounts the final destruction of this gigantic machine — a machine that was destroyed [...]. Steven Anteau says: Oxford-educated historian Joseph P. In this sequel to Joseph P. My point is, I was already pretty read up on the subjects covered outside of the energy aspect, and I got by perfectly The Giza Death Star: The Paleophysics of the Great Pyramid and the Military Complex at Giza, in fact reading the footnotes and excerpts from previous books got me even more interested to read those.
