If you do choose to continue looking for the exit, you can find the many treasures this area has to offer. After you heal, go to the item shop. You will also get the Thieves Crest, which lets you open all of the red chests in the game. This guide will likely take a long time to make, but I will be updating it as much as possible. There are priestesses that are training here, and some talk about how Jessica is a striking young girl that will prove to be an excellent priestess someday. He also tells you that two lovers will have Lunar: Silver Star Story Complete Strategy Guide sing along with each other and open the way to the Blue Dragon Shrine. You shouldn't have trouble if you are at decent levels and have good equipment. Once you defeat the dogs, you foil Royce's plans, and she leaves. Ramus: Ramus is the son of the mayor of Burg. Kyle then breaks through the stone, and Kyle vows to protect Jessica, since he knows that this Mel is an imposter. Laike does about damage to each enemy, and can usually attack three times before any other of your characters can attack once. You will have to make several decisions like this through the dungeon. If you can't get any more Soap in the game, don't even go through the Forbidden Forest unless you want to fight the enemies, since you need Soap to view the scenes at the end of the forest. What will fill this emptiness inside of me? Nash and Mia will use magic on the enemy groups while Alex and Kyle attack physically and Jessica either attack or heal. The other characters will be almost useless in this battle, since they hardly do any damage at all to the boss. Your group will notice that there are cracks in the bridge, and your group will fall into the water, and the bridge will be shattered. But, then, Taben will activate the weapon, and Nash's armor will go berserk. Now knowing the truth of Luna's origins, Alex and his friends travel to the Goddess tower to save her and stop Lunar: Silver Star Story Complete Strategy Guide from seizing control of the world. Talk to your parents. At the last moment, Alex convinces Luna to come with the group, and pulls her onto the boat just in time. The group sets off across the frontier to the port town of Saith to continue their journey. Laike will ask you if you want to leave. Ramus says that he's ready to leave for the White Dragon Cave. After you defeat Magic Masher, Taben runs away, telling you how he is going to activate the Grindery, his life's work. If you say no, you can come Lunar: Silver Star Story Complete Strategy Guide later and talk to Laike in the Tamur bar, but you need to complete this part of the game, even if you say no. Nash then fights you unintentionally, as Lunar: Silver Star Story Complete Strategy Guide can't stop what he is doing. The game's final scenario and the reason for Ghaleon's actions differ slightly from the original, with the Goddess Althena's instability serving as the catalyst for the events rather than a rampaging Black Dragon. Retrieved Equip the Hell Ring on Nash if you have it. Namespaces Page Discussion. Phacia then leaves. A four-part Japanese novelization of Silver Star Story's events would later be written by Kei Shigema and published in The test on the next floor is to mold something out of Lunar: Silver Star Story Complete Strategy Guide.

LUNAR SILVER STAR STORY COMPLETE OFFICIAL STRATEGY GUIDE

The game's Lunar: Silver Star Story Complete Strategy Guide graphics were among its most panned feature, with GamePro commenting that the "flat battle areas, wimpy spells, and itty-bitty enemies will assault your eyes", citing the in-game animated cut scenes as the only saving grace. He will make a clay image of Luna out of the clay. The inventor will say that he has finished your balloon, but it is too late at night, so he invites the party to stay at his home for the night. There is an open area here, and Lunar: Silver Star Story Complete Strategy Guide isn't hard to find your way around, but there are a few chests in this area. Blue An increase in defense power. After you enter, you cannot go back to any of the other villages in the game, and you can't even walk out of the Grindery. Laike will tell you that he will help you find the Black Dragon. Some others will tell you how there is a large tower which is home to an old man, Myght. Iwadare described the game's music as "very well received" according to fan feedback. The enemies in this dungeon yield only slightly more experience points than the enemies in the Red Dragon Cave, but it is still a decent place to gain levels. Also, there are new weapons and armor in the shops here, so make sure to upgrade all of the equipment for all characters here. After you get through the woods, head south to the Damon Spire. When you beat the monster, the captain says that he'll take the group to Meribia for free for all of their troubles, after the ship's crew cleans the ship. After the battle is over, the man introduces himself as Laike in a cool Anime scene. September Work began on the PlayStation version in You will go on attacking for 0 damage until Xenobia stops the battle. He's got great HP and MP, great speed, but only average defense and attack. Nash takes Luna into another room, and tells Luna about Vane. Try to talk to it, and you will have to fight an easy enemy group. Phacia comes before you as a friend, but at first your Lunar: Silver Star Story Complete Strategy Guide doesn't trust her. The guard tells you that Phacia can Lunar: Silver Star Story Complete Strategy Guide found at the Goddess Shrine slightly to the west. At first you don't know what happened, but your father tells you that a man named Laike saved you, and is at Dyne's memorial. Fresca: Tempest's wife. You will find the inventor here. You can also power your offense up with Kyle's "Power Up" spell. In February a special "Fan-Art Edition" of the game was released featuring disc artwork by contributors to the Working Designs website, which lacked the extras of the collector's edition. Damon: Damon is the keeper of knowledge in the Damon Spire. Ramus asks Alex if he wants to go to Meribia with him to try to sell the diamond. If you say yes, your other characters will leave the group of Alex and Laike. Jessica wonders what she should do. The "woman" will reveal herself as Kyle, and Kyle will slay the demons easily. Ramus will try to sell the Dragon Diamond, but the clerk says that he doesn't even have enough money for such a large diamond. In the battle, no matter what you use, you won't be able to do any damage to Kyle, and he won't be able to do any damage to you. You will see that Phacia has slayed the Blue Dragon! When Tempest leaves, your party realizes that you should find the Prairie Tribe to get information on the Black Dragon.

Lunar - Silver Star Story Complete (e)

He has trained a mob of thieves to guard Nanza Barrier from the Vile Tribe that has been attacking it. Save often when going through Ruid. Defend: Defend against enemy attacks. Nothing too hard. Nash studied under Ghaleon, one of the four heroes, who fought beside Dragonmaster Dyne. Faint: A character has basically "died", and cannot do anything until resurrected with spells or items. A lot of the people here are mysteriously being struck by a fatal disease. The Dragon then tells you that he will open the door to the Dragon Helm so you can get another piece of the Dragonmaster equipment. Well, you should now be strong enough to head through there. At this point you will only have Alex and Laike in your party. Phacia's intentions seem good later, but the group doesn't know whether to trust her. When you are ready, head out the northern exit of Meribia and onto the world map. The group is surrounded by a horde of monsters, and are defended by a traveling warrior named Laike. This copyright belongs to me and may not be reproduced in any way without consent of Lunar: Silver Star Story Complete Strategy Guide. Talk to him, and he just says nonsense. It is vital you have the best Lunar: Silver Star Story Complete Strategy Guide and items at this point in the game. Like the original game, the English version features a lighthearted, non-literal interpretation of the original Japanese script while retaining the same basic

story, which now includes American pop culture references, breaking the fourth wall and slapstick humor. The people talk about how the inventor doesn't leave his house often and usually works all of the time on his inventions. Ramus will try to sell the Dragon Diamond, but the clerk says that he doesn't even have enough money for such a large diamond. The enemies should not be too hard if you know their weaknesses. He also tells you that you should read all the books in the room. Myght tells you that he is almost done with your airship, and should be finished by morning. Luna is drawn to everything that Alex does, and Alex feels the same way about her. In Tamur shop, you can talk to the villagers about many things going around in the area. Ghaleon has four spells that do about HP damage to all of the enemies, is on level 99, and has about HP, so don't worry about getting killed. Anyway, make your way to the east exit, trying to avoid as many of the monsters as possible. Pao: What's going on in Pao: Pao is the village of the Prairie Tribe, a group of people that live by themselves isolated from most of the world. From Wikipedia, the free encyclopedia. Take the Blueprints back to Myght. Tell him that you'll help destroy the monster. Once you beat the Aqua Lizard, you will find the store owner. Most bosses in Lunar are tough, and you'll Lunar: Silver Star Story Complete Strategy Guide want to control each action your characters do. In the new version, Ghaleon's personality is altered to make him a more sympathetic character. This way, you won't run out of HP and MP, you'll have money for some of the better weapons in Burg, and you'll be leveled up so you can go through the cave normally. Go around collecting items in the area, then save and head to the southeastern area. Bosses won't scale higher than level When at the bar, talk to Brett, and he'll say that if you gamble, you'll win the Sea Chart. Lily's grandfather will come in to try to help, but it will be too late. They usually run away, but if they don't, you can only do 1 damage to them with normal attacks, so either run away from them or use Alex's sword attacks to defeat them. Namespaces Article Talk. For Next Level - Experience points you need to go to the next level. Anyway, you should chose Mia for the first test. Ghaleon is one of the four heroes, and fought beside the great Dragonmaster Dyne. In the US version, all bosses have the same base stats, but have increased scaling factors. The Magic Lunar: Silver Star Story Complete Strategy Guide is bent on destroying the world, and all life that it encompasses. After you save the miner, talk to him and he Lunar: Silver Star Story Complete Strategy Guide thank you. What's going on in the Goddess Tower: People are praying for the good of the country.
