## **Maximum Ride, Book 1: The Angel Experiment**

The main character, a strong girl, Maximum Ride - Max - is accompanied by Fang, a cool silent tall guy, set up to be Edgy Boy (yeah, I know, every novel read by girls needs one, but still). Then there is Angel, the youngest, cutest and liveliest who is pushing the story forward, either actively by being strongheaded or passively by being put into situations by stronger forces. Maximum Ride and her "flock" -- Fang, Iggy, Nudge, Gasman and Angel -- are just like ordinary kids, only they have wings and can fly. It may seem like a dream come true to some, but their lives can morph into a living nightmare at any time. Angel: A Maximum Ride Novel is the seventh and penultimate novel in the Maximum Ride series created by James Patterson. It was released on February 14, Plot. It has been a week since the love of Max's life, Fang, has left the flock. Max is suffering

from mild depression at her mother's house.
